## SICO SUPER SERVICE STATION

22 MOUNT JOY STREET

Please visit station for your Free Coat Hanger Clip and Door Prize Ticket

The following Seventeen (17) Door Prizes will be awarded:

1st Prize--1 Pair 600x16 Winter Tread Tires      5 Prizes--Pair Rain Master Windshield Wipers  
2nd Prize--100 Gals. **SICO** Extra Gasoline      10 Prizes--One 5-Gal. Can **SICO** Motor Oil

Every adult visiting our station will be given free an all metal Traveling Clip for holding Coat Hangers, and also a registration ticket for above door prizes. Drawing will be held Monday evening, December 27th. You need not be present to win a prize.

It is our aim to supply the finest quality of products and the finest service that is possible to render. We have installed the newest equipment available, including the famous Rock-A-Car attachment, which will be used on all lubrication jobs.

We are listing a few of the products which will be handled, and also a description of service which will be available.

### SICO Regular Gasoline

It is the finest grade of Regular Gasoline available (Octane Rating - 84), plus a Special Fuel Improver.

The new improved SICO Regular Grade Gasoline used in automotive equipment, which tend to give poor operation because of ring or valve sticking, loss of power, etc., will result in some or all of the following noticeable benefits:

1. Cleaner Fuel Induction System
2. Cleaner Combustion Chamber and Valve
3. Smoother Valve Action
4. Increased Compression Pressures
5. Improved Engine Performance
6. Increased Oil Mileage

No Gasoline or Fuel Improver will correct mechanical defects, but you will notice considerable improvement in your operation.

### SICO Extra Gasoline

It is strictly a Premium Quality Gasoline. SICO Extra contains neither lead nor dye. It has a High Octane Rating (91/93), making it a superior Motor Fuel for regular and especially for high compression engines.

### SICO Lubrication Service

Valvoline Lubricants are used exclusively. Valvoline Products have had a world-wide reputation since 1866. SICO was established in the year 1876.

The amazing new Valvoline X-5 Lubricant is used for all chassis lubrication, wheel bearing, water pump, covered springs, and universal joints. This new lubricant resists heat and changes very little in body up to temperatures of 400° Fahrenheit.

It also resists water. It does not combine with water, and therefore, withstands washing action and rain.

This new lubricant has the ability to stick to metal, surpassing any other type of lubricant. When

used regularly, there will never be a frozen fitting.

Valvoline X-5 stops rust and corrosion because it adheres to all metal parts under all conditions.

Valvoline X-18 All Purpose Gear Lubricant is used exclusively at our Service Station.

This product is the original "All Season - All Purpose" Gear Lubricant. It is certainly a quality product. Extreme heat and bitter cold are all the same to this all-inclusive lubricant.

### SICO Car Washing And Polishing Service

SICO is using a special neutral non-soap powder for washing all cars.

This special non-soap product contains no abrasive acids or alkali, and is harmless as water to the finish. This product makes the chrome shine and the glass sparkle.

A SICO car-wash looks more like a polish job than a wash job. SICO vacuum-cleans the inside of your car with all wash jobs.

### Other Services

SICO has provided the latest model of quick bat-

tery charger. This is the newest and finest battery charger made, and will provide maximum service for our customers.

We have also purchased a special battery tester called the Diagnoscope. This special instrument records for your inspection on a special tape the actual condition of your battery. Its purpose is to warn customers before the battery fails.

SICO will carry a full line of quality tires, batteries, fan belts, etc. Please be sure to see us before you buy tires or batteries. A liberal allowance will be made for your present tire and battery.

Please remember, you pay no more for these quality products and service than you pay for ordinary products and service.

In addition, you will be helping your local community, because SICO'S contributions are given to the local school districts. SICO'S total contribution in Mount Joy Borough to December 1947 is \$7301.00.
