## DODGE TO INTRODUCE NEW KIND OF CAR BUILT FOR TODAY'S BIGGER TALLER AMERICANS

Daring New Dodge establishes new trend . . . provides more head room, elbow room and leg room, at the same time decreasing outside dimensions. Extreme lines, uncomfortable seats and cramped interiors have no place in Dodge thinking.

ARMY STATISTICS REVEALED THAT THE G.I.'S OF World War II averaged 1 1/2" taller than the Doughboys of World War I. The same statistics showed they were also heavier and more active.

**DODGE SAID "NO" TO THIS . . .** repairing denting or torn fenders is sure to be costly when fenders are formed right into great masses of sheet metal. Now look below and see why Dodge owners don't have this worry.

**DOWN GO REPAIR COSTS!** No costly-to-repair, massive sheet metal fender sections in new Dodge. Fender unit is bolted (not welded) to body, easily removed, repaired and even replaced, if necessary, at reasonable cost.

"BODY-CRAMPING ROOF LINES MUST GO," said Dodge! Army physical exams revealed that our wartime generation was bigger, taller and more active. A car with more interior space—not less—is the goal Dodge engineers achieved.

**DODGE STARTED WITH A SPACIOUS INTERIOR**—and practically built the rest of the car around it! Here is room to "room around in"—plenty of room to let the human body take positions that are natural and therefore comfortable.

**TIRING? YES!** Doctors agree that people can't go for long periods sitting on their spines without becoming tired, irritable. Dodge did something about this, too!

**AH-HI RELAXING!** Dodge "knee level" seats, shown above, put the entire body in a natural position . . . with full leg support for restful, all-day comfort.

**"NECK-CRICKING" CONTOURS ARE ALREADY OLD-FASHIONED.** says Dodge. How can today's bigger, taller Americans be comfortable in a car where it's even hard to lean back or sit up straight?

**DODGE ROOMINESS IS ROOM ALL AROUND.** The new Dodge shorter, narrower and lower, gives you more elbow room . . . leg room . . . head room . . . that today's bigger Americans will WELCOME!

LOWER ON THE OUTSIDE . . . Higher on the Inside • SHORTER ON THE OUTSIDE . . . Longer on the Inside  
NARROWER ON THE OUTSIDE . . . Wider on the Inside

## SEE HOW DODGE DOES IT! Coming Feb. 25th

One feed from start-to-maturity.

**Stelman's**  
RED ROSE  
STARTER AND GROWER

Simplicity of feeding saves labor. That's one reason you'll like this balanced, all-mash feed. Start your chicks on it, keep feeding it until they're ready for fall laying, and your birds will go into laying pens hardy and well developed. It's a complete feed; needs only grit and water as supplements. Quality guaranteed.
