### 2 Ladies Injured

(From Page 1)  
physical therapist at the State Crippled Children's Hospital at E-town, and Miss Esther Darrow, thirty-three, a nurse at the same hospital, were hurt slightly.  
Miss Blumenthal was treated for bruises of both legs and the left ankle and Miss Darrow for injuries to the right elbow and shoulder. Both were discharged following treatment.  
Brock was prosecuted before Justice of the Peace Lester Weidman, E-town, for driving without a license and reckless driving. Police said Brock was driving west and swerved over onto the east-bound traffic lane, colliding nearly

head-on with the other car.

Damage to the vehicle was estimated at \$600 and to Miss Sylvester's auto, \$800.

### ROTARY SENIOR BALL AND CARD PARTY ON MAY 20

The second annual Rotary Senior Ball and Card Party will be held Friday, May 20, in the local high school auditorium from 9 to 12 p.m.

This affair is sponsored by the Mount Joy Rotary Club in honor of the graduating class of Mt. Joy high school, and the proceeds go to the Rotary Youth Fund.

Music will be furnished by Jim Hendricks' orchestra for dancing. Admission will be \$1.00.

## Charity Enters Here!

### In 1948 5033 people needed help—help from the General—YOUR HELP

More than five thousand men, women and children of Lancaster city and county passed thru the doors of your General in 1948 to have their wounds bound and their sick bodies healed free of charge.

Of the 11,284 patients - your friends and neighbors - admitted and cared for by your General in 1948, 1792 were charity patients. The Commonwealth bears approximately one-third of the cost of this work. The community must supply the rest. In addition to these admitted charity patients nearly 80% of the 4051 "out-patients" treated in your General's 18 clinics could pay nothing toward the cost of their treatment. This work is also a community responsibility.

Consequently, your General needs a minimum of \$94,968 to subsidize its charity work and to replace vital equipment worn out by the heavy usage demanded by the people of this community in recent years. Not a dollar collected in this annual campaign will be used for anything but these two purposes.

**CONTRIBUTED BY A FRIEND OF THE GENERAL**

## Profit grows WHEN WATER FLOWS

More time! More convenience! Less work! You need all three to make your farm more profitable. You can have these with an electric water pumping system... for only a few cents a day.

How much easier your farm chores will be. No need to pump water with an old-fashioned hand pump. No need to carry heavy water buckets for long distances. It's always available when you need it at the turn of the faucet... with an electric water system.

This time-saving, labor-saving convenience means extra profits for you. For example... ready water at the turn of a faucet can increase milk production 10 to 20%. Egg production can be increased 8 to 10%. And means more weight more quickly for hogs and cattle.

Ask your farm representative for more facts on how you can enjoy the many profits and money-saving conveniences of running water on your farm. Make your farm a modern farm, today.
