EDITORIAL

The man whose wife won't speak to him for a week isn't to be pitied but congratulated.

A musical America is a wonderful objective but not too much of the "chin music" variety.

Could it be possible that so many men are short of breath on account of their running expenses?

Usually a good life partner and a bridge partner are not one and the same person.

WHAT A DEBT!

An estimate that the government will go into the red by \$5,000,000,000 in the year beginning July 1st may be laid before the Senate and House Committee on Revenue and Taxation by its experts. Down around Washington experts claim the debt is alarming.

Daily newspaper reports claim there are less unemployed people in Lancaster County at present than for some time. Further reports say relief costs for Lancaster county are increasing monthly, and April expenditures exceeding all those of March by \$5,374.60. Evidently someone is wrong.

Taxpayers in our hoco can get a slight idea of just how fortunate they are from the following figures. Manheim Borough invited all bids for the removal of its garbage. Only one was received which was \$12,600 for one year.

In Mount Joy all your garbage, ashes, refuse etc. is removed by the hoco at the average tax rate.

A DELICATE SUBJECT

With apologies to women for any stepping upon local toes, we report of reading that American women have the biggest feet of all the women in the world. Men never have been able to understand why the ladies, as a general rule, are ashamed of having to wear a larger sized shoe. One might think, from their attitude, that small feet bear the stamp of aristocracy, are something to brag about. We notice that men around here don't pay as much attention to the size shoes his womanfolk wear, as to the price tag. It is our opinion that as long as a woman can carry her own weight and that gracefully, a man doesn't care about the length of her feet.

CONSIDER THE CORN

Strange, how basic a growth as corn has never been found in a wild state. It has always been cultivated, since the white men first came to this country and had found the native Americans growing corn. The white man has since improved the quality of the primitive corn and has produced it in vastly greater quantities. He has made it the king of crops, producing about four billion bushels a year. Corn for cattle, corn for man and we don't know from whence it came. In New Mexico, in caves, grains of corn have been found that are at least 4,000 years old. How does it happen that, where so much that is grown can be found in a wild state at some time in its development, they have never known of wild corn?

A FILM OF SOIL

Only a foolish man climbs out on a limb and then saws it off. We are warned that as far as the natural resources go, this country is climbing slowly out on a limb and some folks are looking for a saw.

As you dig the flower bed, the garden, the field, you consider the soil as deep. Soil is really a film, a coating that averages six inches depth on the earth's surface. America was fortunate, in the beginning, for she had nine inches of top soil. Since then she has lost one-third of this and those three inches once gone cannot be recovered. Lives depend on the remaining six inches and if it continues to wash and blow away, without taking steps to

preserve it, to produce new soils, then we have severed the limb upon which we sit. Call the tree "liberty" and say that the man who owns that soil can do with it what he wants, but there is surely none who would argue against the fact that mankind depends upon that thin surface of soil for his life. Would a farmer reduce man's chances and a nation's chances for survival because "it's a free country" and he doesn't HAVE to use the methods and means offered to save fast eroding soil.

gion itself is sending two boys. For further information concerning this, please contact George Keener of the American Legion.

The Athletic Committee reported that everything is in readiness for the Junior American Legion Baseball this year. They reported that the team should head the league. The team will start practicing as soon as the school baseball season is ended.

The Grave Registration Committee reported that the flags will be put on the graves of the veterans some time within the following weeks. Anyone knowing that a veteran in any cemetery in the vicinity of Mount Joy has been missed, please notify Bish Heilig, and he will deliver a flag to that grave.

The Post decided to parade as a unit in the Memorial Day Parade at Mount Joy. They will be outfitted in their new uniforms, which will consist of the regulation American Legion Uniform and the white belts and leggings for the Rifle Squad and Color Guard. Remember, any veteran that does not as yet have a uniform but would like to have one, please contact Gene Eicherly and he will take your measurements. This uniform will cost you \$20.00. The Legion will pay the balance.

The Memorial Day Committee reported that everything is progressing nicely, and we should have a real old-fashioned Memorial Day on May 30th. It will be a full day for everyone in Mount Joy. We hope to have a fine attendance.

The Legion decided to build two fire places and install them on the new grass plot at the Legion Home. These fire places should be completed some time this week. Any veteran wishing to use these fire places, please contact either Paul Hipple, of the House Committee, or Lee Ellis, the Steward at the Post. It is our hope that we will have picnic tables to go with the fire places some time before the end of May.

It was decided at our meeting that we should send \$15.00 to the Hospital Entertainment Fund of

in the school auditorium. The program will include the invocation by the Rev. Raymond H. Dahl, Church of God, Landisville selections by the high school choir, the sermon by the Rev. Ernest P. Leer, Zion Lutheran Church, Landisville; and the benediction by the Rev. Mr. Dahl. Class day exercises will be held on Tuesday, May 31, in the high school auditorium at 8 p. m.

Class officers are James Shuman, president; Helen Swarr, secretary-treasurer; Richard Bachman, vice-president. Members of the graduating class are: Robert A. Allison, III, Loretta Aument, Richard Bachman, Arthur Barta, Wayne Becker, Virginia Bender, Ruth Benner, Marilyn Brubaker, Donald Charles, Helen Darnell, Carl Denlinger, Phyllis Dougherty, Gladys Drescher, Arlene Gingrich, Elaine Gingrich, Martha Gingrich, Marian Groff, William Haldeman, Mary Ellen Herr, Lois Housman, Frederik Malmberg, Betty Miller, Kenneth Miller, June Mumma, Hiram Nissley, Benjamin Noll, Jr., Jeanie Robertson, Blanche Ruhl, Edwin Sauder, Joseph Sebelist, Weldon See, James Shuman, George Vernau, Jr., Betty Lou Wagner, Sara Zerphy, Laura Zimmerman, Helen Swarr.

The marriage of Miss Eva Mae Brubaker, daughter of Mr. and Mrs. Ray G. Brubaker, Manheim R2, and Aaron Heisey, son of the Rev. and Mrs. Stephen Heisey, of Centre Hall, took place Saturday in the Manheim Brethren in Christ Church. Miss Anna Esbenshade, of this place, was maid of honor.

the State Department for entertainment of the disabled veterans and also, it was reported at our meeting that Jack Germer, a member, was in the hospital. We suggest everyone send a card to Jack, at his home.

The Legion Flag Pole, which was located at the old Legion Home on the corner of Marietta and Donegal Streets, has been removed from that location and is installed at our Post Home. This Pole will be fully repainted and the globe ball will be replaced with gold leaf. The American Flag will be flown from this Pole, whenever the occasion arises.

thirds of the Buddy Poppy proceeds is used to give direct aid to all disabled and needy veterans in Mount Joy. The money also aids the dependents and survivors of veterans who do not have the means to maintain a healthy standard of living or who need funds to meet an emergency. The post service officer is available at all times to aid veterans with whatever problems they may present.

Aiding the Mount Joy Post this year will be its Ladies Auxiliary and several women and girl volunteers. The Buddy Poppy will go on sale in Mount Joy on the morning of May 27th and will continue until Memorial Day or until the supply is exhausted. No price is set for the poppies. Each citizen is asked to contribute what he feels he can afford for the cause of disabled and needy veterans or those who suffered most from the ravages of war.

GET A COPY OF ESSO ROAD NEWS AND DETOUR MAPS

One of the most unusual of the eighteenth-century religious sect that found haven in Pennsylvania was the German Seventh Day Baptists. Under leadership of Conrad Beissel, they established The Cloister in 1732 at Ephrata, says the current issue of Esso Road News, monthly travel paper. Now being distributed by Esso Dealers throughout several states, the publication contains articles about many other places of interest to motorists, a calendar of coming events and a detour map showing construction work on main highways.

Customers' Corner

Millions of women come to our stores every day to save money on their family food budgets.

But we are just as proud of the fine quality of our food as we are of our thrifty prices. For price without quality means nothing. It is the combination of low prices and high quality that builds A&P's great values.

That is why we have been able for many years to give our customers this guarantee: "If for any reason anything you purchase is not satisfactory, return it and your money will be cheerfully refunded."

Your advice and suggestions can help us maintain our high quality standards. You will be doing us a favor if you will let us know should the quality of the food you buy at A&P ever fail to satisfy you.

And let us know, too, if you have any suggestions as to how we can make your A&P store a better place to shop. Please write:
