Time was when you could buy a tasty, juicy hamburger anywhere for just 5c... then 10c... then 15c. Today... who knows? While the hamburger's price was climbing, telephone service continued to increase in value far out of proportion to its low cost.

Every new telephone increases the value of every other telephone. With new telephone installations being made at a rapid rate, the service value of your telephone is still growing.

You can always depend upon your telephone—for high value at the lowest possible cost.

CLOTHING SHIPPED TO LUTHERAN WORLD RELIEF
The Rev. W. L. Koder has announced that the shipment of all clothing for Lutheran World Relief last week amounted to 789 pounds. This brings the shipment of clothing for relief to well over a ton and a half during the last three years. The shipment made last fall reached those in need within a few months after the clothing left Mount Joy, as indicated by the notes and letters of appreciation received from Germany, Trans-Jordan and Palestine. We thank all who contributed to this effort to clothe these in need throughout the world.

LOCAL LUTHERANS ATTEND ANNUAL CONVENTION
The Rev. W. L. Koder and Mr. John Dillinger of Trinity Lutheran Church, Mount Joy, are the congregation's delegates to the 202nd Annual Convention of Lutheran Ministerium of Pennsylvania and the Adjacent States, meeting at Buck Hill Falls, Penna., May 16-19. The Ministerium of Pennsylvania, organized in 1748, is the oldest Lu-

theran synod in America, and consists of 606 congregations in eastern Pennsylvania, southern New Jersey and in Delaware.
