**I wish I could afford more hired hands**

Mr. Farmer, you not only need more hired hands . . . you can't afford to be without them. Especially when there are hired hands that are ready to work for you at bargain wages.

Where is this bargain in hired hands? Call your PP&L Farm Representative. His specialty is hired hands . . . electric hired hands! Reddy Kilowatt, your electric hired hand, can do amazing farm tasks for surprisingly little cost. *Costs that make farming pay well!* For example: A thousand gallons of water for less than ten cents. Think of the steps saved and the time gained for other farm tasks. Both of these mean real money to you.

Your PP&L farm representative can help you in many ways to put electricity to work at a profit for you.

He is ready to help you anytime. He knows and understands your problems, too. Most of our farm representatives are farm bred and agricultural engineers. All have had good practical farm experience. Welcome your PP&L Farm Representative . . . his help is free, and is an important part of our service to you.
