## More Evidence That Bulletin Ads Pay

Here's another of those weekly illustrations of the reader interest of The Bulletin plus the pulling power of its advertising.

Mr. Arthur Zerphey, one of the efficient attendants at the Sico Gas Station, Mt. Joy St. placed the following ad in these columns with orders to insert it four times but twice was enough. The second week the outfit was sold to a Lancaster man.

FOR SALE: Bucket-a-day and Range Boiler, used 2 yrs. Arthur Zerphey, N. Barbara St., Mt. Joy, Phone 3-5162. 39-4t

That same week Mr. Zerphey also inserted another ad with orders for four insertions. Last Saturday only ten days after The Bulletin was printed he also sold the furnace. Here's the ad:

FOR SALE: Well-McClain, 25-W hot water furnace. Arthur Zerphey, Phone 3-5162 Mt. Joy. 39-4t

Here's conclusive evidence that if you want results from advertising there's ONLY ONE place to put it and that is in The Bulletin.
