# Complete Dispersal Sale

## Saturday, January 28, 1950

At McClatchy Farm at Parkesburg, Pa., on Route 372, a half mile east of junction of Routes 122 and 372.

### 20 Head of Registered and Grade Holstein Cows

A number of these cows are fresh or will be fresh by day of sale. Some unusually heavy milkers, one, Dogwood Meadows Rag Apple Girl, born February 27, 1942, showing 83 lbs. highest daily production in 1949, and 562 lbs. highest weekly production in 1949; two, Dogwood Meadows Rag Apple Echo, born January 26, 1942, showing 78 lbs. highest daily production in 1949 and 501 lbs. highest weekly production in 1949. Some grade cows with records above 78 lbs. daily. Also one pure bred Holstein Bull about one year old whose dam was MONTVIC RAG APPLE SOVERIGN, noted all Canadian prize winner.

**ALSO A LOT OF FARM MACHINERY**, some practically new, just to mention a few: 1946 John Deere B Tractor, self starter etc.; New Idea Side Delivery Rake, Disc Harrow, practically new; Steel frame Coboy Wagon, used only one season; International Harvester 2-wheel trailing line spreader; three 1950 De Lavelle Milker Units, with two extra parts; Practically new De Lavelle Hot Water Heater, 18 rolls of 36 in. woven wire fencing and many other items. **ALSO HAY AND CORN.**

**ALSO 30 COLONIES OF BEES**

My only reason for selling is that I purchased this farm for my son to start farming two years ago, and he doesn't wish to continue it any longer.

**THE WHOLE FARM PROPERTY WILL BE SOLD AT PRIVATE SALE**

after February 15th, and the dwelling house can be examined after February 15th. This 105 acre farm has unusually fine buildings in such perfect condition that you could hardly spend a dollar to improve it. A large part of the barn has steel beams, 30 stanchions and unusually bright glass up-to-date lighting. New concrete Silo. Running water whole length of the property showing at least five or six inches of water in the driest period. 2 Artesian Wells on the place. The dwelling house has four bedrooms, 2 baths, a big farm style kitchen with every modern electrical appliance, living room with fire place, an enclosed outside laundry room, porches front and rear, modern new tenant house just completed one year ago, with new up-to-date bath room and new up-to-date kitchen and new concrete garage. For any further information, write to the owner.

Mr. and Mrs. John Cromwell took a motor trip to Maryland on Sunday.

Mr. and Mrs. Daniel Geltmacher visited Mr. and Mrs. Wilbert Witmer and family on Sunday.

**JAN. 31ST DEADLINE FOR FARMERS TO FILE TAX RETURN**  
Farmers have until January 31, 1950, to file their estimated income tax return, or the completed return, instead of January 15, as in former years.

They may either file the estimated return or the completed return with full payment by January 31st. If they file only the estimated return they must file the completed return by March 25.

This is the only major change in the 1949 income tax regulations.

Stimulate your business by advertising in the Bulletin.

Following is the result of the test and actual time required by each tractor to grind thirty bushels of barley through a 5/16 screen:

Allis Chalmers W.D. Horsepower rating 26.14 Time 11 min. 51 sec.  
Massey Harris 30, not rated, 11 min. 13 sec.

Three plow tractors:  
Farmall M 36.66 9 min. 51 sec.  
Case D. C 37.28 7 min. 29 sec.  
Oliver 88 41.99 8 min. 25 sec.  
Massey Harris 44 45.64 7 min. 15 sec.

A survey of this impartial test should prove to all farmers that the horsepower rating, but the actual horsepower developed on the job, is the proof of the tractor.

There is no better way to boost your business than by local newspaper advertising.

**Here's how to KEEP HOG FEED BILLS DOWN--GET FAST GAINS!**

**PIONEER Hog Feed PROGRAM**

Over 50 commercial feed lot records prove that the labor-saving Pioneer Program produces quality pork at low feed cost per 100 lbs. gain.

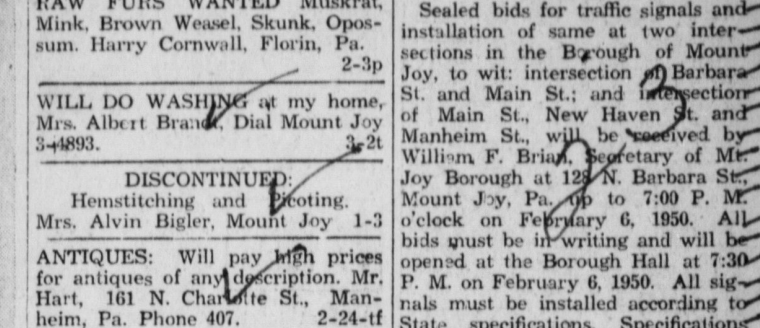

Pioneer's high levels of all essential minerals, vitamins and proteins are carefully blended to produce "Quality Results at Low Cost" when self-fed with your home-grown grains.

Get big, "peppy" litters, grow thrifty shoats, hit early high priced markets on the Pioneer Program. Send for FREE 36 page booklet on feeding and management.

MOUNT JOY, PA.

# Sweet Simplicity

French-inspired, American-made is this Fuller cotton broadcloth dress, one of the Kate Greenaway juvenile fashions featured in the February Good Housekeeping. Its sturdy seams won't "give" in the laundry, and its simple design is a friend of the lady who dunks, starches, and irons. Available in desert coral with jade trim, or gray with red, the dress sells for about \$5 in sizes 3 to 6, and a dollar more in sizes 7 to 11.

**TRACTOR HORSEPOWER TEST ON HERSHEY ESTATE FARM**  
In order to acquaint farmers and dealers with the variation of stated horse-power, an inspirational demonstration test to determine the actual horsepower at belt was staged by a group of farmers on the Hershey estate farm.

A New Holland 14 in. governor feed, hammermill with 5/16 screen was used for the test. Each tractor was timed for grinding thirty bushels of barley, and all tractors were run on gasoline.

The horsepower rating mentioned below is not the manufacturers rating, but is the rating given each tractor at the Nebraska Field, recognized by all manufacturers and farmers as correct.

Following is the result of the test and actual time required by each tractor to grind thirty bushels of barley through a 5/16 screen:

Allis Chalmers W.D. Horsepower rating 26.14 Time 11 min. 51 sec.  
Massey Harris 30, not rated, 11 min. 13 sec.

Three plow tractors:  
Farmall M 36.66 9 min. 51 sec.  
Case D. C 37.28 7 min. 29 sec.  
Oliver 88 41.99 8 min. 25 sec.  
Massey Harris 44 45.64 7 min. 15 sec.

A survey of this impartial test should prove to all farmers that the horsepower rating, but the actual horsepower developed on the job, is the proof of the tractor.

There is no better way to boost your business than by local newspaper advertising.
