

**INDIAN NURSE TO BE GUEST AT TRIN. LUTHERAN CHURCH**  
Miss Alice Zachariah, the little Indian nurse who so captivated

the hearts of those who heard her speak here about a year ago, will pay a farewell visit to her friends in Trinity Lutheran Church Sunday

**TAXI DRIVER ACQUITTED**

Charges of assault and battery with an automobile against William Quickle of Mount Joy RD 2, were withdrawn during a hearing Mon-

day night before Justice of the Peace Samuel Harple E'town. The charge was preferred by Police Chief Clyde Coble of E'town after John G. Meckley, forty-nine of E'town was fatally injured.

**YOUR FIRST FIELD TEST WILL CONVINCe YOU... THERE'S MORE POWER IN A MASSEY-HARRIS**

1-Plow Pony—82-cubic-inch, 4-cylinder engine, 3 speeds forward

2-Plow "22"—140-cubic-inch, 4-cylinder engine, 4 speeds forward

2-3-Plow "30"—162-cubic-inch, 4-cylinder engine, 5 speeds forward

3-4-Plow "44"—260-cubic-inch, 4-cylinder engine, 5 speeds forward

It's out in the field, on your own farm, that you discover the real power in a Massey-Harris. Out in the field doing your regular work... watching it lick the tough spots only you know... feeling the quick response of a lively engine that's ready to dig in from the word "go."

That's the big test. The test a Massey-Harris likes. The test that will convince you there's more power in Massey-Harris high compression engines... more power-saving economy in Massey-Harris straight-line transmission design. It's out in the field where you learn about economy too. The real dollars and cents kind that lets you do more work on less fuel. Economy is built right into a Massey-Harris. Better design in the engine, the transmission and distribution of weight let you cover more acres at less cost.

But try it for yourself. Get on a Massey-Harris. Drive it. Discover a new thrill in better tractor performance.

4-5-Plow "55"—382-cubic-inch, 4-cylinder engine, 4 speeds, forward

3-4-Plow "44" Diesel—260-cubic-inch, 4-cylinder engine, 5 speeds forward
