

Borough Council

(From Page 1)
Two recommendations were received from the Planning and Zoning commission as follows:

That a district on the east side of Lumber St., extending in depth 150 feet to an Alley, bounded on the north by B district and on the South by Marietta St., be changed to a B district.

That a district on the south side of Marietta St., extending in depth

190 ft. to Oak Alley, bounded on the east by New Haven St. extension, and on the west to and including the property of John Zerphey, be changed to a B district.

Council OK'd these recommendations and instructed the secretary to prepare an ordinance changing the zoning map.

A complaint was received from the United Brethren Church concerning the banners which are hung across Main St., in front of the church. They requested Council to stop this practice, but since council

never gave permission to any organization to hang the banners, they suggested the church contacts the organization concerned.

An ordinance to change certain districts having been published, a public hearing was held Monday night to receive objections to same, but since no one appeared, council passed the ordinance changing the districts as published.

The following checks were received: From James Hockenberry \$775 for March auto violations, \$324.47 for 1949 taxes, \$168.50 for 1948 taxes. Outstanding taxes for 1949 are

\$4,654.73, for 1948 \$1,669.16; From Mrs. Bruce Greiner \$15,006.08 water rents collected; from Christ Walters \$45.00 for building permits in Mar.; from Ellis Fellenbaum \$42.00 for 1946 taxes; from Robert Brown, justice of the peace, \$2.00 fines.

These reports were received: Burgess Zerphey \$5.00 street permits, \$15.00 peddlers' fees; \$4.00 parking fines.

Robert Keller, water committee, reported pump repaired at the reservoir and one chlorinator repaired. The service man from the Chlorinator Company suggested that the chlorinator be replaced but no change will be made at the present.

Harold Krall reported the emergency lighting system installed in the fire house and permanent markers placed at the water works in accordance with the recent survey.

S. H. Miller of the boro authority reported progress on securing data to be presented to the boro.

Clayton Newcomer of the street committee reported the poles for the traffic lights have been erected.

Henry Smeltzer, boro supervisor reported that the park should be rolled and filled in with ground and the boro shed should be painted. He was authorized to do so.

Pumping engineer Shatz pumped 9,275,000 gallons in 431 hours.

Fire Chief Myers reported seven calls during March, four of which were in the boro.

Health Officer Dellinger reported no nuisances and no quarantines.

Chief of police Park Neiss reported one accident investigated, 1 larceny, 1 reckless driving, 1 speeding, 7 improper pass, 1 operating without the consent of the owner and 1 operating without a license. Also

1,301 miles travelled by auto. After much discussion concerning High St., which extends into Pine St., it was decided to consult the boro solicitor and if permissible, half will be given to Latchford and half to Schock.

Secretary Wm. Brian was authorized to turn the new duplicator over to the new tax collector as soon as he furnishes bond.

These bills were paid: Boro account \$735.52, water account, \$292.90, Strickler coal fund \$6.00.

Happened 10 Yrs. Ago

Charlie Derr, veteran bowler up until four years ago, salted his bowling ball away April 30, 1944. This was after the Mount Joy Travelers arrived home from Philadelphia, having competed in the State tournament and just missed the championship by six pins, competing with 256 teams.

But the Travelers did come home with \$100.00 prize money, with Derr and Tronio each getting \$45.00 on prizes.

Ten years ago was when the perfect score of 300 pins was bowled in a Mount Joy Town League game. Derr's first score was 205 finishing out with five strikes in the first game, and then went on with 12 more Strikes a total of 17 straight or a score of 300. In the third game he ran in to five splits coming thru with 166 pins, making a grand total of 671 pins for the night.

That year Sayres, Scheid and Sweeney Clothing Store in Lancaster, was giving a \$55.00 suit to the Bowler in Lancaster city or county bowling the highest score for the year, and it was a good thing Charlie bowled a perfect score, because Pink Wiley, a veteran bowler of Lancaster city bowled a 299 that same year. If that one other pin for Wiley would have fallen, there would have been a toss of a coin. This same Clothing store gave a necktie away each week, to the bowler of the highest score for the week, of which Derr received many.

Our former Postmaster, Charles Bennett, Sr., was the scorer of this perfect 300 game, the same year, Charlie bowled a 279 game, missing another perfect score by one strike.

OFFICES CLOSED
Dr. H. C. Killeffer, optometrist, with offices in Manheim and Elizabethtown will be closed all day Good Friday, April 7th.
