rehabilitation and maintenance of the V. F. W. National Home for war orphans and widows, at Eaton Rapids, Michigan.
V. F. W. Buddy Poppies are made throughout the year by hospitalized war veterans. The work itself has been hailed for its therapeutic value and for its benefit in assisting the process of rehabilitation among wounded patients. The VFW acts as sales agent for these veterans and pays them for their work from the proceeds of the sale. The Gold Chevron organization does not profit from the sale, but uses the major portion of the funds for bringing relief to war victims.
"Helping American war victims is an essential part of the V. F. W. veteran welfare program," remarked Commander Brown. "The extent of our activities depends upon the funds we raise through our poppy sale. This year, because demands are so urgent, we are conducting an all-out drive to make the 1950 sale the largest in history. By offering timely, material relief to disabled, needy veterans and to the survivors of those who were killed in action, the V.F.W. offers a living memorial to America's war dead."
The aim of the annual V.F.W. Buddy Poppy sale is embodied in the slogan: "Honor the dead by helping the living." That will be the purpose of the volunteer sales workers on Buddy Poppy Days.
