THE LUTHERAN CHURCH HERE HELD FLITTING THIS WEEK

This week has been "flitting time" at Trinity Lutheran Church on West Main Street, when the Nursery, Beginners and Primary classes were moved from the old frame parish house into the newly constructed building in the rear of the present structure. The first service will be held there this Sunday, July 30th.

Work in the new building is almost completed, but there are still several steps to be accomplished in the building program. These include the renovation of the Sunday School room and the church.

Razing of the entire row of old frame buildings now standing on the 3-corner from the church to the Manheim Street corner will begin next week.

GUESTS OF W.M. SOCIETY

The Young Ladies Bible Class and the Ladies Aid Society of Trinity Lutheran Church were guests of the Women's Missionary Society at an outdoor supper at the home of Mrs. Clyde Eshleman on Tuesday evening.

Included in the program was a report on Migrant Workers locally and throughout the United States.

Donegal Airport News

The third annual "round the county" breakfast flight was held last Sunday morning. About 115 pilots flying from all five of Lancaster County's airports participated in the event. Each airport served a course in this unusual breakfast flight. Included on the menu were: Ham and Eggs, Iced Fruit Juice, Doughnuts and Coffee, and finally Watermelon.

Alfred Gusler and John Hawthorne flew to New York State and Canada last Saturday.

Elwood Barbour of Florin brought his mother (Mrs. Charles Barbour) and his grandmother (Mrs. Sarah Hackenberger) out to the Donegal Airport last Thursday and they all enjoyed an interesting sight-seeing flight. Mrs. Hackenberger is 85 years old and enjoyed the ride very much.

A spot landing contest held at the airport last Sunday afternoon was won by Norman Heisey. About twenty pilots entered the contest and the first five winners were members of the Donegal Dudes Flying Club.

Robert Brenner visited the airports at York, Hershey and Lancaster during the week.

IMPROVE RASPBERRY PATCH

Prompt care of the raspberry patch will assure a good crop next year. C. S. Bittner, extension fruit specialist of the Pennsylvania State College, recommends removing the canes which produced the 1950 crop. Their removal will give the new canes a better start. Miller or sudan grass can be sown to cover crop.

Discuss your electric problem with your local PP&L farm representative

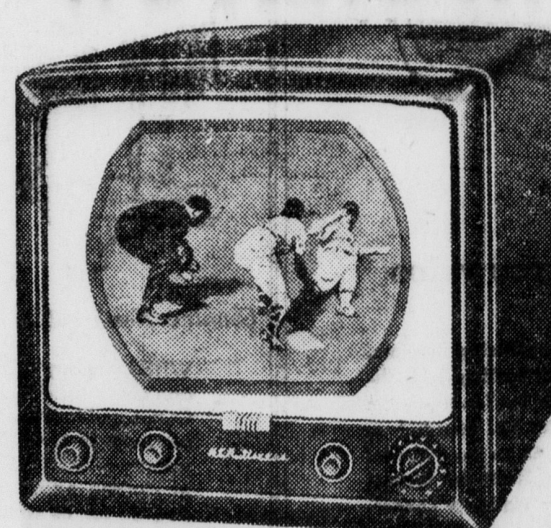

Can electricity improve your farm living and your farm profits? Are you putting out too much time and labor for the return you're getting in farm profits. Is there a better, easier way to do individual jobs like barn cleaning, water pumping, hay finishing or any of hundreds of other farm chores? Your PP&L Farm Representative has profitable answers to these questions.

Use his experiences and training (he's either a graduate Agricultural Engineer or has the equivalent practical background). It's his job to help make your work more profitable and your living better. All over Central Eastern Pennsylvania progressive farmers, using information which your PP&L Farm Representative can supply, are making their farms a better business and their homes more convenient and comfortable.

Your PP&L Farm Representative, as you know, makes regular visits from time to time to see where he can help you. But don't wait for that visit...call him anytime a question arises. He's as near as your closest PP&L office.
