A New Street Lighting System For Main Street

Accidents And Motor Violations During The Week

Merle Puffer, Rochester, N. Y., driving a Ford sedan, was traveling east on Main street and Frank Brosey, Mt. Joy R2 driving a Chevrolet sedan south on Market street. The cars collided at the intersection. Both cars were damaged, the Puffer car to the amount of \$85.00 and the Brosey car \$50.00. Chief of Police Park Neiss investigated and prosecuted Brosey for driving without a license. He will be summoned before Justice of the Peace James Hockenberry Sr. for a hearing.

Another accident occurred north of the limits near the Mt. Joy cemetery road, when cars driven by Winfield Simmons, of Marietta and Wm. McNeil of Mt. Joy collided. The Simmons car was damaged to the amount of \$350 and the McNeil car \$500. Chief Neiss prosecuted McNeil for driving on the left side of the road. He will be summoned before Squire Hockenberry.

Violated Motor Laws Myrtle Mae Marshall, of Florin, was prosecuted for ignoring a red light.

Big Preparations For Lions Club's Hallowe'n Parade

While the farmers are harvesting their crops and birds huddle over maps choosing the shortest route to Miami, it's time to dust off your costumes for the Lions' mammoth Hallowe'en parade. Previously the Lions erroneously gave the date as October 30; the correct date is October 31, with the parade forming at 6:30 around the grade school, and starting to move at 7:30. There will be plenty of prizes and entertainment afterwards.

All those wishing to be in the parade as a marching unit of three or more, as a musical organization, or with a float, should contact Parade Chairman Richard Divet. Other chairmen selected are: Morrell Shields, music; Lester Mumma, judging and prizes; George Broske, Lions' float; Richard Fletcher, publicity.

The Mile of pennies collection stretches farther every day, thanks to a generous public, but there is still a distance to go. More help can also be given the Lions by patronizing their stand at the Farm Show on October 12, 13, and 14. It will be in the old Hawthorne garage building at the corner of Henry and Marietta streets. All proceeds will be used for the Lions' Hallowe'en parade.

Grandview School Won't Be Rebuilt

Grandview School in Mount Joy Twp., which was destroyed by fire on Sept. 25, will not be rebuilt at the present time, according to a report made by the township school directors.

The pupils, who were given an unexpected vacation last week after the fire, resumed classes on Monday morning in the Milton Grove school.

In past years high school and grade school classes were taught in the Milton Grove building and now, with the addition of the 30 Grandview pupils plus the 40 students from the Milton Grove area, the board divided the school into two parts, for first to fourth grade pupils and fifth to eighth grade students.

There are 38 pupils enrolled in the one to four section and 42 pupils in the five to eight sections of the building.

BORO AUTHORITY MAY TAKE OVER WATER SYSTEM NOV. 1—MAY EXTEND BORO LIMITS ON THE SOUTH

Announcement of a new street lighting system in the boro was made at the regular council meeting on Monday evening.

Councilman Paul Stehman, Jr., presented an agreement and ordinance authorizing the Pennsylvania Power and Light Company to install an improved lighting system on Main street that will increase the cost approximately \$1,300.00 a year. Council approved.

Food traps will be established for pigeons on N. Market Street. Efforts will be made to capture and remove the birds from the borough. Council also decided to ask the State Highway Department to blacktop the entire section of the Harrisburg Pike which runs through the borough, assuring them that if sewage is put in it will be on the back streets and alleys.

The Lancaster County Gas Co. also will be asked to remove large gas tanks in the west end of the borough. Councilmen felt the tanks are no longer needed now that the community is being supplied with natural gas.

Jay Gingrich, of town appeared before council and promised to take steps to have a section of his housing development, south of the Mt. Joy, annexed to the borough as soon as the correct boro line is determined if the borough will furnish it water. The boro solicitor was ordered to draw up an agreement between Gingrich and the boro to this effect.

Representatives of the Friendship Fire Company Auxiliary also appeared before council to ask it to provide garage facilities for an ambulance it proposes to buy. The fire hall has no space for the ambulance. Same was placed in the hands of the property committee.

There Will Be a Soap Box Derby At The Farm Show

Yes Sir, there will be a soap box derby after all, and all you boys and girls who are interested, get busy and build that racer. After a few difficulties and wrinkles that needed ironing out and were adjusted, the race will be run on Saturday afternoon, October 14, beginning at 12:30.

There will be two classes. One will be the regular conventional type soap box racer that raced in previous years. All of these will compete for the prizes ranging from \$6.00 first prize to \$3.00 for fourth prize, with a \$2.00 consolation prize race for the losers. There will be a separate race for all racers built according to the rules of the National Soap Box Derby, and coming under their specifications. This will be an independent race for this type racer only, and the winner will receive \$5.00, with the losers allowed to compete in the consolation race only.

Each entry who competes will receive a cash prize of \$1.00, provided they compete in at least one race. This should take care of every type of racer that will be or is built. The rules are about the same as last year, and if there is anyone who desires more information on the race, contact Joe Sheaffer, but most of all, build that racer and be sure to be out on the Market St. hill, on Saturday afternoon, October 14th. In case of rain the race will be held the following Saturday, at the same time.

An Overheated Burner Set House Afire Here

Fire caused by an overheated oil burner damaged the cellar of a W. Donegal St. home Monday morning and filled the frame double house with smoke.

The blaze was discovered at 10:35 a. m. by Mrs. William Baughman, W. Donegal St. as she was working around her home. According to firemen, a side-arm oil burner used for warming water apparently was left on too long and the heat started a fire in a wooden partition in the cellar.

Smoke was so dense that the firemen were forced to use their new oxygen masks in order to fight the blaze. Both the Baughman residence and an adjoining home owned by Edward Blake suffered smoke damage. Friendship Fire Company responded to the call and soon had the fire under control. Asst. Fire Chief Sam Miller, estimated total damage at \$150.

Mary E. Newpher Miss Mary E. Newpher, 81 East Main Street, died at 5:28 p. m. Monday at Lancaster General Hospital following a five week's illness.

Born in Mount Joy, she was a daughter of the late Dr. John J. and Ella Kepner Newpher and was a member of First Presbyterian Church here.

A graduate of Mt. Joy borough schools, she also graduated from Millersville State Normal School and taught for many years in Mt. Joy and Lititz schools.

She was the last of her immediate family.

Funeral services were held from the Nissley funeral home here this forenoon with interment in the Mt. Joy cemetery.

Mrs. Emma Detwiler Mrs. Emma Hoffman Detwiler, ninety-one, 13 W. Main Street, this boro, died last Thursday after an illness of several months. She was born in Conoy Twp., a daughter of the late Benjamin and Elizabeth Rhodes Hoffman, and had resided in Mt. Joy the greater part of her life. She was one of the oldest residents of the borough.

Her husband, W. Bigler Detwiler, died twenty-one years ago.

There survive two daughters, Mrs. Parthene D. Wright, Harrisburg; and Mrs. Mabel D. Rohrer, at home; also three brothers and a sister, Michael R. Hoffman and Abram L. Hoffman, Maytown; Norman R. Hoffman, Bainbridge; and Mrs. Mary H. Geyer, Marietta; also six grandchildren and five great grandchildren.

Mrs. Detwiler celebrated her 91st birthday last November at a dinner attended by two of her brothers, Abram and Norman, and her sister, all of whom are in their 80's. Mrs. Detwiler has always enjoyed sewing and until two and one-half years ago, when she was injured in a fall, she sewed every day. Another hobby was raising flowers, and the elderly lady once reported that she never went to bed before midnight, although she did take an afternoon nap.

The funeral was held from the Heilig funeral home, here, Monday afternoon with interment in the Mount Joy cemetery.
