The Student Council of East Donegal High School has announced its plans for the N.A.S.C. Convention to be held at Maytown on Thursday, November 9. Last year this convention was held at Manor High School. Four of our members, Peggy Hicks, Clara Anna Weaver, Joe Brandt and Wilbur Brubaker attended this convention. The convention is held annually by one of the associated high schools in the county. It is held to promote a better relationship between the student government bodies of these schools. At this convention, the students exchange ideas and decide on new ideas that could be put into use in the high schools. Conferences are held on different subjects during the convention. Those attending can have their choice of which conference to attend. A brief outline of the planned program includes an afternoon assembly by the Student Council followed by the discussion groups, a banquet and a final evening assembly.
