

## \* As American as Thanksgiving Itself

On Thanksgiving Day the sound of telephone bells ring in perfect harmony with dinner bells. A holiday visit by telephone with loved ones who are away is becoming as much a part of Thanksgiving today as turkey. So this year, as in all others, we'll be expecting a huge number of callers—especially long distance callers. You'll all be taken care of—but please, won't you try to place your calls early?
