The Altar Pictures in Nursery and Beginners-Primary Departments—In memory of Mrs. Erwin J. Horn, by the Rev. and Mrs. W. L. Koder.

The speaker at the Vesper Service was Miss Sarah F. Snyder, RN, Missionary to India, now on furlough. Miss Snyder centered her address on the rose and IHS design in the Altar Lace which she presented at the morning service, using the words of Isaiah, "And the desert shall blossom as the rose..." The pastor presented Sarah with a Life membership in the Women's Missionary Society of the United Lutheran Church in America, and a cash gift, an annual Christmas gift from the members of the Sunday School and Congregation.

The Community Night Service, held on Tuesday evening, featured the greetings of the churches of community, with the pastors of the Mount Joy Ministerial Association speaking briefly. The address was given by the Rev. James Harrison, President of the Lancaster Conference, and Pastor of Advent Lutheran Church, Lancaster. Following this service, the ladies of the congregation served tea in the basement of the Parish House. At the conclusion of all the services, everyone was invited to tour the Parish House.

This Thursday evening will be family night starting at 6:30. The Rev. Ellerslie A. Lebo will speak. **Musical Sunday**

ALL-STAR LINE-UP FOR '51!

NOW ON DISPLAY

Standard equipment, accessories and trim illustrated, are subject to change without notice.

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Optional extra cost—available on most models. (Not presently available in California or Massachusetts)

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrills—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by the exuberance of its power and action.

We could go on and on: This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.
