FLORIN EUB CHURCH WILL CELEBRATE 13th ANNIVERSARY
 The Glosbrenner Evangelical United Brethren church, Florin, will celebrate the 13th anniversary of the Sunday School chapel dedication with a day of rally on Sunday morning, March 4, beginning at 9:30 a.m. The Sunday School hour is combined with the service of morning worship for this annual occasion. The program is in charge of Mr. C. E. Musselman, the Sunday School Supt. It will consist of responses from the various Sunday School classes. Up to the moment of presentation each class holds in secret just what form their response will take.

The speaker for the occasion is Dr. Paul Millhouse, associate editor of the telescope Messenger, the official Evangelical United Brethren weekly paper. Dr. Millhouse is a native of Illinois, having served several pastorates in that state. His last pastorate was at the large Decatur First Church, Decatur, Ill., from which he was called by the recent General Conference held in Dayton, O. to the associate editorship of the Denominational paper with headquarters in Harrisburg.

THE BULLETIN
 Has Something
 No Other Publication
 Can Give You

WHEN you are spending your money for advertising you want to make sure that every dollar will go where it brings back maximum returns.
 Here is something for you to consider in this connection.
 By advertising in The Bulletin you get something no other publication in this field can give you . . . a PLUS that assures greater value for your money. You get "following" that dates back to 1901. You get reader acceptance that has been building up steadily for 42 years.
 The Bulletin has been doing business in this field so long that it has become a tradition. To farmers, laborers, citizens and allied industries The Bulletin has become part of their way of life. It is the only medium that enables you to reach all of your prospects in one operation.
 Add it all up and you will see that it is smart to tell your story in these columns regularly—display or classified.
 This is a real opportunity. The fact that it is before you from week to week in no way diminishes its importance to you, and in no way lessens the loss you sustain if you fail to take advantage of it.
