The trip required more time than Mr. Houck anticipated, and he reached Greenville two minutes before the game was over, just in time to learn the final score 39 to 38. Another local resident, George Brown II, East Main street, an ardent fan, also decided to see the above game. He boarded a TWA plane at Harrisburg, intending to fly to Youngstown, O. and then drive back by auto to Greenville. It took 55 minutes to fly to Youngsstolen from Joseph A.
