A Local Sailor

(From page 1)

raiding missions over Korea in support of United Nations ground forces.

Bender says he saw the Korean coastline only a few times. The only mishap he witnessed was the accidental burning of a plane that caught fire on the carrier's flight deck.

Enlisted in September Bender enlisted on Sept. 11, 1950 at the local recruiting station. He was on his way to Korea just two weeks after he finished his recruit training.

At the end of his 30-day leave, he will report to the San Diego Naval Base, Calif., where he plans to apply for an airman's rating and eventually become an aviation machinist's mate.

Bender is a graduate of Lancaster Mennonite High School.
