Fine New Bank Opened Saturday

Many, many people visited the fine new building of the First National Bank, at Landisville, open for inspection on Saturday, from 2 to 9 p. m.

Roomier than the old building which it replaces, the new bank is modern to the point of including a drive-in window. More personal contact with patrons is emphasized in the design, and the cash and safe deposit box vault has been enlarg-

Founded Jan. 4, 1909, the bank had as its first president, Amos H. Hoffman, founder of the seed company which still bears his name. At the end of the first year assets were \$109,414. At the end of 41 years of operation assets were \$2,178,199.

In the same period, capital stock had been increased from \$25,000 to on the River Road at Rowenna, but \$75,000, surplus and undivided profits and reserves from \$2.366 to

E. Hempfield Twp. Man Gets \$17,500 Land Damages

When the highway between a point east of town and Lancaster was relocated, the State paid an average of \$400 an acre for land it acquired. Here and there was a land owner who would not accept the amount offered.

The owners of the Bear farm, north of Salunga, in East Hempfield township, which was practically cut in half, would not accept the state's offer. The owners asked the court to appoint viewers and the Bears were awarded \$17,500 for the damage by the viewers in a report filed with the court last Thursday.

Approximately ten acres were taken from the 94 acre farm of Frank N. and Emma M. Bear, in

Two Airmen Lost, Plane Landed At **Donegal Airport**

A light plane, piloted by a Lansing. Mich., man was too badly damaged to continue flying Sunday in a landing at the Donegal Airport, near Maytown.

Pharis Landis, Marietta R1, owner of the port, said the pilot was James Sawtelle, Lansing, Michigan. Sawtelle, flying in a rented plane with his brother, was on his way to Connecticut when the accident happened.

Landis said the pilot told him he had lost his way and attempted to land at Donegal Airport about 4:45 day afternoon in honor of Shirley p. m. Possibly, because of unfamiliarity with the airport, the pilot put the plane down too hard. The landing gear collapsed and the plane skidded to a stop on the bottom of its fuselage.

Neither man was injured, Landis said, and the pair told them they hoped to get a train at Elizabethtown to continue their journey to
