• Trouble-free operation year after year, and simple, fool-proof, lowcost installation are what farmers want in a barn cleaner. Scores of successful installations in every major dairy area

prove that you get these qualities in the Sears Farm-Master Barn Cleaner ... built and guaranteed by a Company that has been manufacturing dairy barn equipment for 75 years.

Engineered for Dependability and Economy

Tue Farm-Master has an all-steel, self-cleaning hopper that can be installed in any corner of the barn...no dirty pit. Specially-designed, heavy-duty chain has ample clearance to prevent freezing. Requires less power than most barn cleaners. Prefabricated corners and steel forms simplify installation. Many farmers have installed their own. Sears Photo Guide Book shows how, step-by-step.
