St. Mark's Evangelical United Brethren Sunday School observed a Summer Christmas Tree Project on a recent Sunday morning. The Junior Department of the school, under the direction of Miss Anna Mae Eby, prepared and presented the program, with the Primary Department and the Adult and Young People's Department participating. The program included Christmas hymns and the story of the birth of Christ and also thank you letters from people in Japanese Christian Churches who had been the recipients of milk provided by missionary offerings of American churches. A special offering to be used to help rebuild churches in Japan was given by the school, after the need of this help was explained. The program and the purpose of the project were greatly appreciated by all present.
