**"THERE'S
NO BETTER
DOLLAR
INVESTMENT
THAN
UNITED STATES
DEFENSE
BONDS"**

For nine out of ten investors, nothing is more important than the safety of their capital. That's why U. S. Defense Bonds should form the basis of every well planned savings and investment program. U. S. Defense Bonds are a debt security of the national government. When you buy them, you always know you will receive your dollars back, plus interest—in the case of Series E Bonds, interest continues even after their original ten year maturity at the owner's option.

Dollars invested in Defense Bonds are kept safe for your future needs. In the meantime they help your country buy the weapons it needs to keep the peace. And peace is for the strong. U. S. Defense Bonds yield as high as 2.9% if held to maturity. You get four dollars back for every three invested... a sound return indeed on the safest dollar investment in the world.

MAKE TODAY YOUR D-DAY—BUY U. S. DEFENSE BONDS AT THIS BANK

threw it at a broad board. Then he patted it and shaped it to do a face.

First he made a face of a boy about ten years old, then thirty years old, then eighty. Some other faces he made were of Alexander Graham Bell, Mark Twain, Abraham Lincoln, and he ended the program with a face of Santa Claus.

We learned where the clay came from on the school bus, how to act in other schools, and we had a very enjoyable time.

Then Mr. Arnold took us home on the school bus, and we finished school for the day.

By Patricia Maricorol Peters, Grade Six Washington School, Florin. Mrs. Margaret Coleman is Maricorol's teacher.

Force of a car hitting a stationary object at 60 miles an hour is as great as that of a car falling from a ten-story building.

E. Donegal School

hundred schools throughout the United States affiliated with The Institute of Administrative Research, Teachers College, Columbia University. The A.P.S.S. is a national organization of school systems for nation-wide cooperation on school improvement. Its work included a nation-wide reporting system for pooling and spreading good school practices. The purpose of the organization is systematic pooling and sharing of the newer educational practices, the identification and speeding of educational "inventions," school-community development and school staff improvement, through conferences and visits from the Institute staff during the school year. The executive secretary of the Institute of Educational Research is Dr. Paul R. Mort of Teachers College, Columbia University, New York. Dr. J. W. Bingham, Supervising Principal of the East Donegal Schools attended the A.P.S.S. summer meetings last July while participating in the School Administrators Workshop at Columbia University.

The board also announced that the new furniture purchased for the third grade room at Maytown has been received. The board made arrangements for the transportation of the girls hockey team members to their homes after practices, home games and away games by school bus. A late bus will cover the township routes after each practice and each game.

The next meeting of the Donegal Joint School Board will be held in the high school at Maytown Thursday evening, September 2.

**Its a Bigger Red
Feather This Year**

This noon the Board of Directors voted to include the United Defense Fund (UDF) in the campaign.

The UDF is a national federation of agencies organized to serve in the defense emergency. The major part of the UDF is the USO which is already serving our 3½ million men and women in the Armed Forces in installations all over the world.

Already there are 183 USO clubs and canteens in operation. The Defense Department has requested that the USO operate 282 units by the end of 1952.

Lancaster County now has over 4,000 men and women in uniform. The 28th Division, which will sail for Europe in October, has over 500 men from Lancaster County.

The Lancaster USO activities will be supported by the National organization! No campaign for funds will be conducted for local USO activities!

The UDF will include funds for services to civilian communities hit hard by defense activities. Consultative services are planned through a pooling of professionally trained people from 20 national agencies for communities where defense efforts seriously disrupt the existing facilities. Nursery schools, housing, recreation, racial tensions are some of the problems that will be heightened in defense congested communities.

The third UDF agency is American Relief for Korea (ARK) \$500,000 is being budgeted to collect, sort, process, warehouse and pack clothing to be collected all over America for civilian relief in Korea. The Army will ship the clothing to Korea free of charge.

The USO is the chief recipient of UDF monies - from 77 to 85% of the funds, depending on the amount raised.

The campaign goal this year will include \$35,897 for the UDF. The goal, with UDF, is 19% more than was raised last year.

**REV. JOHN MONCRIEF LEFT
FARM WORKERS STILL HERE**

A misleading item regarding the farewell service for the Negro migrant workers from the Kirkland Camp at Salunga, which was held Sunday at the Church of God at Landsville, has caused great concern by the farmers in the community.

This farewell service was held by their Chaplain, the Rev. John Moncrief, for the workers, since he had to return to the Seminary on Tuesday for the new semester.

BILL IS NAMED CHAIRMAN

William Mateer was named chairman of the weekly game night at the meeting of the Florin Fire Company. Game night will be held every Saturday night and will begin Oct. 20. Benjamin Staley presided.

CARD PARTY AT SALUNGA

The Salunga Fire Police will sponsor a card party at Cooper's Garage at Salunga on Friday, November 16th, at 8 p. m.

Proceeds will go toward the building fund.

Everybody reads newspapers but NOT everybody reads circular advertising left on their door step.

**New Common Stock
Issue at \$24 to PP&L
Stockholders**

Pennsylvania Power & Light Co. filed this morning, with the Securities and Exchange Commission, its price amendment to registration statement offering to its common stock holders the right to subscribe at \$24, per share, for 542,484 shares of additional common stock at the rate of one share for each seven shares held of record September 18, 1951.

This subscription warrants expire October 3, 1951. The offering is being underwritten by a group of underwriters headed by Drexel & Co. and The First Boston Corp.

The company also will offer to every employee the privilege of subscribing to not more than 150 shares at the subscription price out of any unsubscribed share.

Common stock holders will also have the privilege of subscribing for additional shares, subject to allotment, if there are any shares remaining after fulfilling orders from stock holders primary subscription and from employees.

Proceeds from the sale of new common stock will be used in connection with the Company construction program. The Company estimates that its construction expenditures for the 4½ years to the end of 1955 will be around \$143 million. The major portion of these expenditures \$82 million, will go for additional generating capacity at the Company's Sunbury Plant and the first unit at a new site on the Delaware River, near Martins Creek.

The company estimates on the basis of present conditions that, to complete the construction program, approximately \$75 million in addition to the proceeds from this sale of additional common stock, will have to be raised from the issuance and sale of securities. The balance, it is expected, will be obtained from treasury funds, cash generated from reserves and retained earnings and from other internal sources. The Company has made no statement as to when additional financing will be undertaken.

SALUNGA

Mr. and Mrs. Benjamin Kendig and daughter have returned to their home in Boston, Mass., after spending a vacation visit with the former's parents, Mr. and Mrs. Benjamin Kendig.

Mr. and Mrs. Verne Hiestand spent the weekend at the Thousand Islands, N. Y.

Mr. and Mrs. Walter Poifer were on a 3-days vacation to Frenchtown, Md., situated on Chesapeake Bay.

Mr. and Mrs. Theodore Walters, son Teddy and daughter Joan spent Sunday at the summer home of Mr. and Mrs. Bert Shissler near Strasburg.

The Ladies' Auxiliary of the Salunga Fire Company held their monthly meeting in the fire hall with twenty members present. The hostesses were: Mrs. Ray Wiley, Mrs. Daniel Will, Mrs. Levi Peiffer, and Mrs. Elias Young. The next meeting will be held Oct. 15.

Jack Dempsey held the heavy-weight boxing crown for seven years.
