# Remember The "28th"!

The famed "28th" — our own Keystone Division — will soon be embarking for overseas service. Led by Lancaster's own Major-General Daniel B. Strickler, this crack combat-trained division will soon be a tangible expression of the Western World's will to resist Communist aggression.

Our Statesmen and military leaders believe that the presence of the "28th" in Europe, along with our other Armed Forces, will act as a strong deterrent to enemy aggression. All America can be proud of the "28th". We are doubly proud of it here in Lancaster, because 500 of our County men are members. We are proud of its leader, Major-General Daniel B. Strickler, and extend to him and his men the best wishes of a grateful community.

When these men arrive in Europe, they will be able to enjoy the facilities of the U. S. O., and will be entertained by U. S. O. Camp Shows.

**Here's What General Strickler Has to Say About the U. S. O.:**

"About eight years ago, as Commander of U. S. Troops in the field, I wrote to the people of Lancaster endorsing the United Service Organizations' program.

"Now again, as Commander of U. S. Troops in the field, including over 500 Lancaster County men, I am urging the citizens of Lancaster County to support the U.S.O. financially during the Fall Community Chest Campaign. I believe that there are over 4,000 Lancaster County men in the Armed Forces today and if most of them are training as hard as we are and are undergoing the ruggedness of Armed Forces life, I am sure that anything that adds to their recreation and comfort will increase their effectiveness.

"The United Service Organization was reconstituted just within the past year and it needs immediate attention. Right now in our Camps, there are great demands for the service of the U.S.O. and this need will be greatly increased when we go to Europe.

"I urgently request the citizens of our County of Lancaster to give a substantially increased amount to the Community Chest Campaign in order to make their contribution in support of the U.S.O."

Remember the men of the "28th" — and all service men and women who are the defenders of our freedom. A concrete expression of gratitude to them will be your support of the U.S.O. through the United Red Feather Campaign. Lancaster County's quota for the U.S.O. is included in this goal this year.
