**More than 18,600 miles of forest** windbreaks were planted by hand in the western states between 1934 and 1941. AT LEAST 90 PERCENT OF THESE 277 MILLION TREES SURVIVED AND TODAY PROVIDE SHELTER, EROSION CONTROL, SHADE AND USEFUL WOOD MATERIALS TO THOUSANDS OF FARMERS.

On this truly American holiday we give thanks for the many blessings He has deigned to deliver on us. We give thanks for the strength He has endowed us with, enabling us to preserve those liberties we have inherited. We thank Him for the rich fields and bustling factories that bring us great wealth and comfort. And we thank Him especially for revealing His truth to us, giving us the greatest wealth of all.

## THANKSGIVING - An Old American Custom

The first American Harvest Festival, the forerunner of Thanksgiving, was held by the Pilgrims 330 years ago, in October 1621. However, it was not until 1864 that Lincoln "appointed and set aside" the last Thursday in November as a day of national thanksgiving. By recent proclamation, it's the 4th Thursday in November

This year, as always, this most favored of nations has many sound reasons for thanksgiving.

(No business will be transacted by this Bank on Thanksgiving Day)
