THE LOW DOWN from HICKORY GROVE

If a person chese to be vexed and perplexed on a grand scale, this U. S. A. is the place. And to lightly touch upon just one angle, I will tell you about aluminum and how we are now in great need of same, and how the Government has fumbled the ball there in that green and pretty Northwest where rolls the Oregon. A power shortage there is causing the shutting down of some of the aluminum maker's plants. The Government is the big cheese there in power making—in a pinch it cannot cut the mustard—aluminum production falters.

The perplexing side of the dilemma is how come a senator or congressman who is smart enough to get himself elected, is not keen enough to see what is in the woodpile when he ups and votes millions for Government powerhouses and dams across the land, when he should catch on that is out and out Socialism and failure that he is voting for. How come he can be that confused under his sombrero. I sort of looks as if the fellow had not been around quite as much as we figured.

But Government fumbling there in Evergreen-land is bringing private enterprise to the rescue. In Texas, and Arkansas, and Louisiana, where muscle and brains and fuel of all kinds is plentiful and aluminum type ore is near at hand they have buckled on their six-guns and regalia and are going to town with aluminum production.

LANC. CO. GROUP OPPOSES AIR BASE IN COUNTY
 A temporary committee of Lancaster County citizens has been formed under the title "Lanc. Co. Farm Home Committee". This group was formed for the purpose of opposing any Lancaster county farms land being used for the proposed Army Air Base.

"We believe that fertile productive Lancaster County farm land, should not be taken for the proposed Northeast Air Base and further because of the thickly populated area therein," a committee spokesman last night.

The committee is set up temporarily with Mr. Bob Posey, Lititz as Chairman. Other members of the proposed committee are: Graybill Minnich, Lititz, D. R. Buckwalter, Lititz, R. D. Naaman Hershey, Manheim; Abner Risser, Elizabethtown; Martin S. Musser, Mount Joy; A. L. Gearhart, Ephrata; H. C. Myers, Rohrerstown.

This group is asking for members from every Borough and Township in Lancaster County, in order to form a more representative permanent committee.
