Presenting... THE NEW ELECTRIC INFRARED BROODER
MANUFACTURED BY The Infrared Brooder Mfg. Co. MANHEIM, PA.
PERFORMANCES PROVEN EXPERIMENTALLY
(1) FULLY AUTOMATIC Operation is by thermostatic control, no daily or hourly attention required.
(2) ZIG-ZAG MOUNTING OF HEAT LAMPS Heat Zones produced by lamps in brooding area do not cause bunching of chicks.
(3) INDIVIDUAL HEAT LEVEL Each chick can find its own heat needs in the heat zones in the brooder area.
(4) BROODING AREA EXPANDS WITH CHICK GROWTH As chicks grow brooder is raised, producing a larger heated area with less heat concentration; however the angles of the infrared brooding rays are never changed.
(5) DAMPNESS Litter is actually heat conditioned, the Zig-Zag pattern of Infrared brooding eliminates damp litter areas.
(6) LESS WORK - BETTER GROWTH Brooding area is always visible and accessible for inspection.
(7) YEAR ROUND OPERATION The new Zig-Zag Infrared Brooder is designed for use throughout the year.

One ride and You'll say: "That's the Smartest Million Dollars BUICK Ever Spent"
WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.
A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.
A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.
You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.
Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.
All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.
Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.
The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

Weddings Thruout Our Community During Past Week

Anna Margaret Barnhart
George Jay Berrier
The marriage of Miss Anna Margaret Barnhart, daughter of Mr. and Mrs. Harry R. Barnhart Sr., of Elizabethtown, and George Jay Berrier, son of Mr. and Mrs. James M. Berrier, of near Milton Grove, took place Sunday at 2 p. m. in the First Church of God, at Elizabethtown.

The Rev. Jacob O. Weigle officiated. The bride was given in marriage by her father and was attended by her sister, Mrs. Paul Shetter, of Florin, matron of honor. Richard Kulp, Elizabethtown R3, served as best man and the ushers were Harold Rhen and Lawrence Floyd, both of Elizabethtown.
The wedding music was played by Mrs. Susan Bretz and the soloist was Robert Cable. After a reception at Hotel Kenewood, the couple left on a wedding trip to Niagara Falls and Canada. They will reside at 819 S. Spruce street, Elizabethtown.

9 NEW MEMBERS ADDED TO NATIONAL HONOR SOCIETY
Nine new members have been recently elected to the Mount Joy chapter of the National Honor Society at Mount Joy High School. Chosen on the basis of Character, scholarship, leadership, and service they include Lois Becker, Mary Katherine Landvater, Georgann Shatto, Mary Ann Spangler, Donald Thome, and Claudette Zeller from the senior class and Jay Barnhart, Shirley Eby, and William Tyndall from the junior class.

Sally Ann Nissley, Loretta Kline, and Robert Schneider, members of the present senior class, are already members, having been elected last year.
Founded in 1921, the National Honor Society is a national organization which aims to encourage and promote scholarship and all-around development of the individual by giving recognition for achievements in school aside from those on the athletic fields.
Nine per cent of the senior class and three per cent of the junior class are eligible for membership. In Mount Joy, these are elected by the faculty from those who rank in the upper third of the classes in scholarship.
New members will be inducted into the society in an assembly program on March 7 at which time members from Marietta and East Donegal will also be inducted in a joint ceremony to be held at Mount Joy.
