

MISS MARY GRACE BUCHER IN ARSENIC AND OLD LACE (has been cast in "Arsenic and Old Lace.")
 Miss Mary Grace Bucher, a Miss Bucher is the daughter of freshman at Elizabethtown College. Mr. and Mrs. Henry G. Bucher, of 250 Donegal Springs Road. She is a member of the college choir.

Pupils In Two

(From page 1)
 and that the board would provide board and split the cost per person. The board also approved a plan to send 11 high school girls to hockey camp during the first week of September. They will be supervised by Miss Patricia Morrison, athletic coach.

Commencement Plans
 Commencement activities scheduled were as follows: baccalaureate sermon, June 1, with Rev. A. B. Goudie, a member of the class of 1902, and now pastor of the Berwyn Methodist church, as speaker.

At the commencement exercises on June 3, P. M. Friday, another member of the class of 1902, will present diplomas. On June 2 the ninth grade will have its annual commencement exercises.

Supply Contract Awarded
 Bids were awarded to L. B. Herr, of Lancaster, for general and art supplies, at a bid of \$1,735. Shop and agricultural supply bids are being studied, it was announced.

Needed Improvements
 Albert Kreiner reported for a committee named last year to study needed improvements. The group originally had ten suggestions, five of which are already in operation. Those listed as needed were as follows: blacktopping the basketball area, providing shelves for the school porch and a walk from the back of the school to the highway, installing a bicycle rack and provide a backstop for the ball field.

Purchase of an electric typewriter was authorized. The milk program will end April 1.

GENERAL ELECTRIC REFRIGERATORS

ROBERT MILLER, UNION COUNTY DAIRYMAN SHOWN EXAMINING HAY FINISHED ELECTRICALLY IN HIS MOW SAYS, "Mow-curing has given me greener,

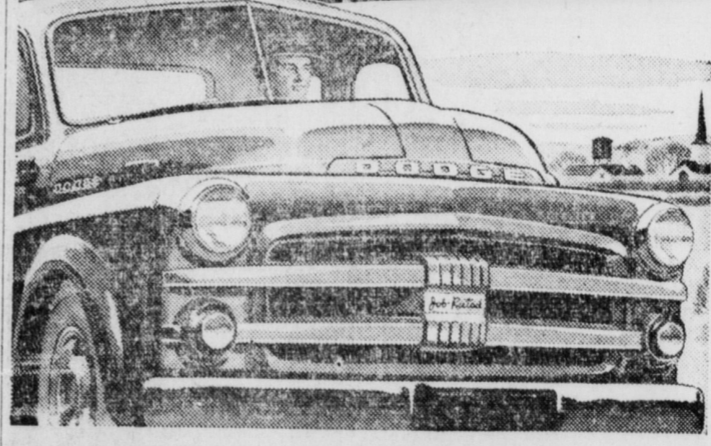

leafier hay with less loss due to weather damage. My herd's milk production is up, too."

With an electric hay finisher, Mr. Miller's crop is safe under roof within hours after cutting! And, because it is quickly stored, his hay is leafier, greener and more palatable. Dairyman Miller, of Lewisburg, RD #2, is only one of many Central Eastern Pennsylvania farmers who have begun finishing hay in the mow... and minimizing damage caused by rain, wind, and sun in old-fashioned field drying.

Installation of an electric hay-finisher is easy and can be adapted to barns of any shape or size. Talk to your local PP&L Farm Representative about a hay-finisher installation in your barn. You will find, as Mr. Miller found, "I installed a hay-finisher simply to increase the quality of my hay. However, I have realized many added benefits including a healthier dairy herd and larger milk checks."
