BOND SALE OPENS ABOUT MAY 1st HOW THE BOND PLAN WORKS

You purchase from us a National Apparel Bond, maturing in six months, in the amount of \$26, \$52, \$130 or \$260, depending on how much you plan to spend for your family's apparel in the next six months.

You make weekly deposits of \$1, \$2, \$5 or \$10 with us.

These deposits may be made in person or by mail. In consideration of your weekly payments, we will pay you 10% DIVIDEND IN MERCHANDISE OF YOUR OWN CHOICE when your bond matures. For example: if your deposits are \$10 per week (\$260 in 6 months) your dividend is \$26. If your deposits are \$5 per week (\$130 in 6 months) your dividend is \$13. If your deposits are \$2 per week (\$52 in 6 months) your dividend is \$5.20. If your deposits are \$1 per week (\$26 in 6 months) your dividend is \$2.60.

ADDITIONAL BENEFITS You are not required to leave your deposits intact until the Bond matures. You may purchase merchandise at any time up to the amount you have paid in, without changing the amount of your merchandise dividend.

You may also use all or part of your accumulated balance for gift certificates, made payable to others, at any time.
