What to look for if you want a better 1½- or 2-ton truck

"Our Dodge 2-ton models have done a remarkable job for us."

... says S. W. TANNER
Veteran's Gas and Service Co., Pueblo, Colorado

"In all-round satisfactory performance, dependability and economy, our Dodge 'Job-Rated' 2-ton trucks have done a remarkable job for us.

"In fact, one truck has 80,000 miles on it, and the only replacement has been a new jet in the carburetor. That's economical maintenance you just can't beat!

"My partner, Eric Samuelson, swears by Dodge, too ... says our 2-ton trucks handle just like a passenger car."

Look first for the truck that best fits your job. Look for strong, rugged load-carrying units—frame, springs, axles, wheels, and others—engineered to provide the strength and capacity you need. Look for load-moving units—engine, clutch, transmission, and others—engineered to meet the most severe operating conditions.

Look, too, for a powerful engine, easy steering, short turning ability, and extra payload capacity.

You'll get all these advantages when you choose a Dodge "Job-Rated" 1½- or 2-ton truck.

Yes, look for the best in a 1½- or 2-ton truck, and you'll find it in a Dodge. Come in today.

Big Power at a Saving. Dodge "Job-Rated" 1½- and 2-ton trucks feature a high-compression 109-h.p. engine. For outstanding economy, you get 4-ring pistons, chrome-plated top rings, and other advantages.

Exceptional Handling Ease. Champion Truck Rodeo contestants choose Dodge "Job-Rated" trucks because you can cut sharper, maneuver easier, park faster—thanks to wide front tread and short wheelbase.

Fast Delivery Work. There's a 5-speed transmission available on most models for higher road speeds—greater pulling power. And low loading height simplifies the job of loading and unloading.

STATE REFUSES TWENTY BEER DISTRIBUTOR LICENSES

Twenty applicants for beer distributor licenses have been turned down so far under a new state law. The law, passed by the 1951 Legislature, sets up a quota system for issuance of beer distributor licenses in the Commonwealth.

It limits issuance of not more than one beer distributor's license for each 10,000 population.
