RUPTURE

SHIELD-EXPERT HERE

H. M. SHEVYAN, widely known expert of Chicago, will personally be at the Brunswick Hotel, Lancaster, Sunday & Monday only, June 15 and 16 from 9 A. M. to 4 P. M.

Mr. Shevyan says: The Zeebe Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevyan will be glad to demonstrate without charge.
