The 39th Reunion GIRL SCOUT CAMPFERENCE **Donegal Springs** Wed., June 18

The thirty-ninth annual reunion of the Donegal Society will be held at the historic Presbyterian Church at Donegal Springs, three miles west of here, on Wednesday, June 18.

The Witness Tree, an historic oak in front of the church, is in excellent condition and is now definitely telieved to be more than 325 years old.

The new estimate on age of the oak and its condition will be included in reports to be given at the reunion.

The Society maintains the properties of the 233-year-old Donegal Church, including the cemetery, the Witness Tree, and the grove of 200 oaks on the grounds. The Witness Tree is famed as the site where pioneer patriots pledged loyalty to the Republic during the Revolutionary War, and then marched off from the church to join the Continental Army.

Fine Will Speak

Pennsylvania's Governor John S. Fine will be principal speaker at the reunion during the 2:30 p. m. session. Dr. Henry Barraclough, manager of the Department of Administration in the Presbyterian Church of the U. S. A., will speak Center Square, Elizabethtown, and (Turn to Page 2)
