We have about 20 divers aboard that's when they come in. I hope I don't offend a good buddy of mine but the ship can also be used as a tug if any other ship runs ashore. No offense Vernice. My job is Sonar and that is under water sound. Sonar is used to detect submarines when they are submerged.

About a year ago I went through a six months course on Sonar in Key West, Fla. During the month of April I was rated to Sonarman third-class. I've been here in Norfolk, Va., almost a year now and even though I can't say much for this place, I like my ship and Navy very much.

I guess that's about all for this time. Again, thank you very much for everything and I'll see you soon. Respectfully,
