Read this announcement carefully—every word of it—then clip the coupons below and send them in for yourself or a friend. Remember a good start is the battle half won.

HOW TO ENTER - WHAT TO DO

The first thing to do is to clip the Entry Coupon appearing on this page, fill in your name and address and mail or deliver in person to contest department at once. This coupon starts you in race with 10,000 FREE votes; and, by using the flying start with your first subscription you would then be entitled to an extra 40,000 PREMIUM votes for taking IMMEDIATE action—all of which speeds you on your way to win. Only ONE such Entry Coupon will be accepted for each participant.

The next step is to obtain from contest department one of the special receipt books, printed for the purpose. Thus equipped, you have but to see your friends, neighbors, relatives and acquaintances and ask them to subscribe for this newspaper through you. That's all there is to it! However, you will never get anywhere unless you make the start—the earlier the better. Once started, let no one discourage you. Just remember this: Anything worth having is worth working for.

Then, too, as more fully outlined below, this newspaper offers "early starters" substantial special cash prizes for substantial results during the very first week of this contest, the small requirements necessary to qualify as a winner being easily attainable and well worth the little extra effort it requires. Try it and see!

HOW TO WIN THE BIG PRIZES

It takes votes to win the big prizes, and they are secured in the following ways: First by clipping the free vote coupon appearing on Page 1. They all count. Begin gathering them NOW while they are good for 100 votes each. After next week these coupons will be reduced to 50 votes each; the following week to only 10 votes, and after that they will be discontinued. The only restriction placed on these coupons is that they must be cast within one week after publication.

Another and much faster way, to accumulate votes in our "every one a winner" prize contest is by securing new and renewal subscriptions to this newspaper. Votes are issued on each subscription secured, the number varying according to amounts paid and during which "period" same are received at the contest department. SEE SCHEDULE OF VOTES.

EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. This "every one a winner" prize contest is of such short duration that immediate action is necessary for greater success. Subscriptions taken during the early part of drive not only carry the MAXIMUM number of votes but "early starters" who are first in the field will undoubtedly get the "cream" of both new and renewed subscriptions, while those who put off starting until a later date will of course have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do" but get into the game today, without delay, and show the "other fellow" how to do it!
