The formal opening of the convention, which met in the ballroom of the Bellvue-Stratford Hotel, included the report of the president of the general society, Mrs. C. W. Baker, Jr., of Duquesne, Pa. The Convention theme, "That Thy Way Be Known Upon Earth" was the keynote of the presidents message as well as the worship meditations and addresses throughout the convention. Missionaries and nationals from all the fields served by the Lutheran Church,

children were killed. To help reduce drastically the tragic toll of death and injury on the highways, the Pennsylvania Bureau of Highway Safety urges all motorists to drive safely by observing traffic laws.

Klugh have been shifted from halfbacks to fullbacks to replace Donald Thome lost by graduation and Charlie Drace who has transferred to East Hempfield.

Jerry Miller is back at his post as center halfback flanked by Bill Zimmerman and Toby Weber who has been converted from the forward line where they played last year.

The front line finds four of last years starters back with Captain Ben Clinger at inside right, Tom Kear on the right wing, Duck Germer at center forward, and Ashenfelter at inside left and Charlie Zeller, a newcomer to the varsity, is holding down the left wing.

Ted Williams is a capable front line player and is pushing hardhard for a starting assignment as is Lee Hess in the half back line and Edgar Breneman at fullback.

The starting 11 will be picked from Jay Metzler, Lee Hess, and the above.

Others who have shown up well in practice and should see

early action are Bob Fish at wing, Harold Milligan and Irvin Nauman, half backs, and Pinky Lutz in the front line.
