York airport where the consignor was ready to accept them. There were 2700 chicks in the lot.

Fly-in visitors during the past week included Roy Gelfz of Mountville, Oscar Hostetter of York, Charles Mantbn of Heffshey, also planes from the airports at Kutztown, Chester, Lancaster, and Harrisburg. One Maryland pilot and one New Jersey also landed at the local field.

Friday night visits to the "Night Spots" of Baltimore are becoming quite popular with some of the local flyers. Nearly every Friday night a flight to this city is made in only 39 minutes flying time, each direction.

Clarence Kaylor of Elizabethtown made his first solo flight during the past week. Congratulations to this new pilot.

A number of cross country flights were made last Sunday, among these were Arthur Mumma's flight to Oxford, Pa., Joseph Rath to New Jersey, Leon Alleman to Lancaster, Joseph Loraw to Myerstown, Walter Reilly to Atlantic City.

It was announced that Sunday October 5 will be dollar day at the Donegal Airport. Passengers rides will be taken all day. Everyone is invited to attend.

Contest

(From page 1)
If this newspaper were to run an advertisement such as this:

WANTED — Some ambitious person to secure subscriptions to this newspaper. Will pay that person over \$165.00 a week for the next six weeks.

Would you answer that advertisement? Certainly you would. We are offering the same thing only in a different way and the person who realizes this will be \$1000 richer by November 15. Some other ambitious person will be \$500 ahead and others far richer in purse than before. This represents a lot of money for just spare time work in just six weeks.

Call, write or come in to the contest department, Bulletin office, 11 East Main Street, Mount Joy. Open daily from 9 A. M. to 5 P. M. including Saturday.
