The giant meeting lasted for five days and culminated in the thunderous witness of the Lords Prayer, voiced by hundreds of thousands. It was the third annual Protestant rally in Germany, sponsored by a committee of laymen of the Evangelical Church of Germany, Lutheran World Relief was instrumental in supplying food for a great number of people.

AN APPEAL TO THE PARENTS OF MOUNT JOY

The attention of Borough official has been called to an unusual outbreak of vandalism, including the soaping of windows, destruction of fences, cutting of wash lines and various other offenses. For years some forms of minor nuisances have been tolerated by the public for a day or two before Hallows'en, but there is no excuse for the present outbreak at this early date.

The cooperation of the parents of the Borough of Mt. Joy is enlisted to stop this nuisance. It is pointed out that any prosecution brought with respect to a minor becomes the responsibility of the parents and they may find it necessary to pay fines and the cost of damage, where their children are found guilty of defacing property.
