

Ask Any Girl Who's In Love

... what one thing in the world best expresses the radiant happiness in her heart.

More than likely, she will tell you that the perfect symbol is her own beloved diamond ring. Only those who own a diamond can really understand the rich meaning of its life — the magic of its eternal sparkle — the deep contentment it brings with every passing year.

So if you're in love, let us show you how a lovely diamond helps capture your happiness forever. You'll see a picture of your happy heart in each of these glowing stones — and especially in our magnificent Artcarved diamonds. Their matchless fire and sparkle have made them "beloved by ladies for more than 100 years." Easy budget terms arranged.
