Fort Belvoir, Va.

Dear Remem. Committee,

Thank you very much for the pretzels, and also the Bulletin. The pretzels disappeared in a hurry and were enjoyed by a lot of fellows.

I look forward to receiving each Bulletin, because it keeps me well informed to the happenings in Mount Joy. Thanks again.

Sincerely,

Pvt. Glenn Wolgemuth

Bainbridge, Md.

To Remembrance Committee:

I received your box containing the can of pretzels. I want to thank you for them. As soon as I got the box open all of the fellows gathered around and helped themselves, they surely enjoyed them and so did I.

A lot of the fellows told me that they thought it was very nice of the people from my home town to send the fellows gifts such as I received, most of them wish that the people in their home town would do something to remember them, like you people remembered me. They asked me if it was a paid organization and I told them that the people did it on their own time.

I can't express my feeling for the pretzels. I wish you continuous success in your project.

Thank you again,

Robert E. Kramer

The Board of Education announced that 6,400,000 had already been collected for the Christian Higher Education year appeal and that seven and a half million dollars was expected by the time the appeal ended.

A budget for 1954 totaling \$6,007,590 was unanimously adopted.

The effective witness of Lutherans to the gospel of Christ across the world provided the opening for comments upon Europe and South American by Dr. Stewart Herman, director of the National Lutheran Council Division on Lutheran Co-operation in Latin American. 3½ million people must be removed from Europe in the next 3 years, but now and always—the pressure of the church must be toward establishing world order in which such extremes cannot arise. More than 700,000 Lutherans in Latin America are now organizing and work together.

Dr. Paul Empire spoke on national and world-wide work of the National Lutheran Council and Lutheran World Federation emphasizing Lutheran activities in the near East, he reported that Dr. Edwin Moll, L.W.F. representative in Palestine, is one of the handful of Americans really trusted by the Arab world, and he alone is largely instrumental in maintaining a precarious peace in that troubled spot.

Dr. O. Frederick Nolde, speaking before the Lutheran Pastor's Association of Seattle, called upon Christians to be at the forefront in the struggle for World peace and justice. Dr. Nolde stressed that church members should be aware of a wave of neo-isolationism which is centering its attack upon the United Nations, and urged an upsurge of popular support by Christians for the UN.

Delegates and visitors, totaling 1100 attended the springing and challenging banquet of the Lutheran Laymen's Movement and Everett Mitchell, nationally known NBC radio personality and prominent Lutheran layman, reported upon experiences in thirty-four countries. His eloquent testimony of the place of Christian faith as the single hope of our present world was especially effective as the witness of a layman.

Martin Luther Film Being Produced in Germany

The next convention of the Church will be held in 1954 at Toronto, Canada.
