Cheery Christmas Display Being Erected On Mount Joy's Main Street This Week Sunday Dec. 21

JEROME S. KENDIG

25 Candy Canes And 11 Candle And Wreath Units Being Erected

Mount Joy's Main Street is beginning to get that Christmas look. Members of the Christmas decoration committee, representing local civic organizations, have been busy erecting the display units this week. It had been planned to have the displays erected by December 1, however, due to unforseen difficulties in securing the parts and because of inclement weather, the installation was delayed.

There will be twenty-five plywood candy cane decorations with spot lights and eleven candle and wreath display units. The Mount Joy Art Club and local artists submitted sketches to the committee this year. Lanc. Co.'s 2nd.
