### **Furniture Fashions**

There is much more than meets the eye in today's furniture-so be sure to ask for a complete demonstration when you visit your favorite furniture store! For instance, the table shown above may be adjusted either to dining or coffee table height.

The mobile brunch cart (new streamlined version of Grandmother's tea wagon) is equipped with concealed ball-bearing wheels. It may be used as a buffet, a small host bar or for TV snacks in the living room. Drop leaves and ample storage space are further features.

Matching upholstered dining chairs complete this interesting limed

Double-purpose furniture is all the rage these days and has made a vast contribution to our comfort and convenience.
