A Well Patrolled Highway Is A Safe Highway

Auto Club Recommends An Increase Of 100 State Patrolmen

An increase of 100 patrolmen in the State Police force will be recommended to the Legislature of Keystone Automobile Club, it was announced by Mark T. Milnor, Chairman of the Club's Advisory Board. This, he said, will bring the total to the authorized strength of 1800.

"Since 51 of our State Police patrolmen will be given Turnpike duty by June 1 of this year," continued Mr. Milnor, "it is quite obvious that the public highways of the Commonwealth will continue to suffer from lack of adequate patrolling. Even at full strength, the State Police will have a tremendous job in covering the extensive mileage of Pennsylvania roads."

Other speakers to follow in the four week series are Mrs. Charles Hauser, Harrisburg, February 1; Pres. Calvert N. Ellis of Juniata College, Feb. 8; and Miss Bessie Crim of China, February 15.

In addition to the increased State Police forces, he said Keystone will also urge the Legislature to assure a more efficient law enforcement on the Turnpike by amending the vehicle Code so as to eliminate, insofar as the Turnpike is concerned, the provision for taking alleged offenders before the "nearest available magistrate."

"We believe," said Mr. Milnor, "that a more efficient and time-saving method should be adopted, and we are recommending that the law be changed to permit Turnpike police to take arrested persons to the magistrate nearest to the first exit of the scene of the offense and not within the township of the offense."

the financial worries of the anxious father and mother. And in addition to the hospital doctor and nursing care paid for by the chapter in 1951, all the physical treatments received by the boy up to the present time have been financed by the chapter." Mr. and Mrs. Funk both endorse and support the March of Dimes one hundred percent as they did not realize until the malady struck their home and their only child what the Lancaster County Chapter for Infantile Paralysis meant until the "time of need."

Missionary To Speak

Richard Burger, young missionary to Africa, will be the featured speaker in the first session of the annual mid-winter School of Missions to be held in the Washington Street Church of the Brethren, Elizabethtown, beginning January 25 at 7:30 p. m.

Injured In Fall

Mr. Ellis Fellenbaum, Poplar Street, suffered an injury to his back as the result of a fall at his home on Friday. He was taken to the General Hospital for xrays which showed several small bone fractures. He is wearing a cast and is able to be about. Dr. Thos. O'Connor is the attending physician.

Let us show you the

Most Sensational new Farm machine of the year!

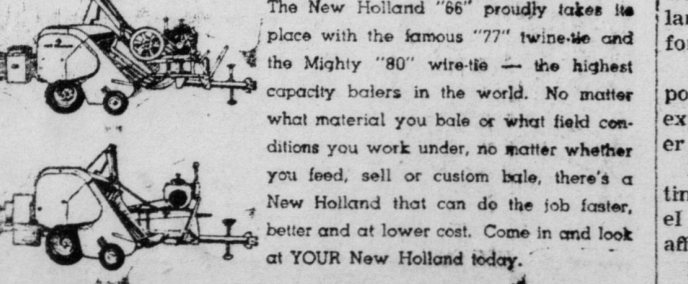

Now Holland's great new twin-tine baler—the compact '66'.

The compact NEW HOLLAND

New Holland's sensational '66' makes hay baling practical on almost any farm. It's self-powered... makes square, man-size bales sliced just right for easy feeding. Yet costs hundreds of dollars less!

The surprise of a life time! That's the New Holland '66'! Well, wagner you've never seen a baler so compact in design... so completely new... feature after feature. You'll be amazed the first time you see the '66'. It's shorter and lower than most balers of its type on the market. It's designed to operate at full efficiency with a one or two-plover tractor. Best of all, it's priced so low that now even small-acreage farms can afford the finest in baling equipment. Now you can enjoy the full benefits of having your own baler on the farm. You can bale your hay the moment it's ready to come in, and bale it fast for the highest quality with least spoilage by sun or rain. In the field you'll find it hard to believe your eyes when you see how the efficient '66' gobbles up the windrow. Nothing seems to stop it. It can kick out 6 firm, square bales a minute... a package up to 7 tons of hay in an hour! And it bales anything—clover, prairie hay, sudan grass, maize. Come in and see us right away! We're eager and waiting to show you a '66'. We'd like to go over this wonderful grassland machine with you point by point... give you positive proof you can't buy better at the price!

A complete line of balers for every baling requirement

The New Holland '66' proudly takes its place with the famous '77' twin-tine and the Mighty '80' wire-tine—the highest capacity balers in the world. No matter what material you bale or what field conditions you work under, no matter whether you feed, sell or custom bale, there's a New Holland that can do the job faster, better and at lower cost. Come in and look at YOUR New Holland today.

Those In Service

January 6, 1953

Dear folks,
Here is a short thank you note which is long overdue. Procrastination is a great fault of mine. Perhaps if I were further away from Mount Joy, and would not get home quite as often, I would be more prompt with my writing. However, I did appreciate the gift and the Bulletin which I receive. These pretzels hit the spot.

While I was working out on the line one day, one of the fellows told me that I had a large package in the mail. I went into the hangar, picked up the package, and returned to the line. I opened up the package with the intense help of my buddies. When the green pretzel can was opened, it was immediately raided by the men.

I placed the can in the line box where all had access to it, and in a short time it was empty. Since I am a pretzel eater from way back I made sure I got my share. When the pretzels were gone, we used the can to carry fluids. Thus you see, the gift was thoroughly used. Much thanks for it!

I'm still in the Atlantic City Navy. These Days the city is far from the "Playground of the World," for it's rainy, windy and ugly here as it is probably there, too.

So long for now.
Thanks for all!
Sincerely,
Lee Ranck.
