

With Farm Show Over, Tobacco sold and according to the atmosphere around our shack, folks are really raring to talk machinery. Folks tell us the Case Tractor really took the show. Presenting the newest of modern tractors.

We were of the opinion the Republicans had forgotten how to spend money, but we find out they sure have learned it from the Democrats.

We have added six names to our Case farm machinery list: Clarence Sternberger, tractor and manure loader; Richard Frank, tractor plow and cultivator; James Koser, tractor plow and harrow; Harold Shearer, 70 Bus manure spreader; Gene Koser, plow and disc harrow, cultipacker, tobacco planter and ladders; Kenneth Eshleman, tractor; Ken just had to buy Case, because his wife has been around Case farm machinery almost all her life. In fact, her mother spent many happy hours operating Case tractors. Nineteen years ago, Ken's wife Melva Mae, then only eight years old, in competition with many other boys and girls, was judged the youngest lady to operate a Case Model C tractor.

Consequently her picture operating a Case tractor hitched to a binder with a complimentary letter, was published in the Case Eagle, a paper distributed over the USA and foreign countries. Last year Ken's daughter, Linda Lou operated a Case Model C to harvest tobacco. Nineteen years hence! "Our Guess" Remote Control.

We're not boasting, we're simply trying to impress on you the remarkable ease of handling Case tractors.

If You Are Looking For a TRACTOR

To Suit Your Job
We Sure Have One For You
CASE All Sizes
AND OUR PRICES WILL REMAIN ONE OF THE MYSTERIES OF 1953.

One originally priced at \$1150.00 now only \$499.50, You would have been proud to own her 26 years ago.

One International WVO lonesome old girl, real spry, winter footwear not nearly as old as I. K. E. a Gray Ford with a red belly and good intentions. Plow and cultivate. A David Bradley manure spreader worth \$100.00 more since we washed it. Plows of all descriptions and some not worth describing \$16.75 up.

Disc Harrow, light, heavy and cumbersome.

CATTLE AND HOG OILERS, HARDWARE, POULTRY SUPPLIES, PAINTS.

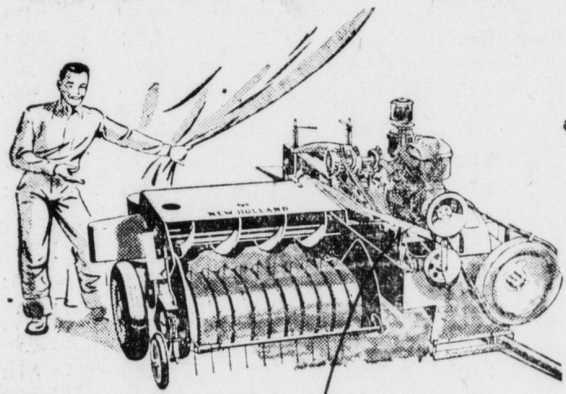

TWO HOUR PARKING FREE

"OPPORTUNITY KNOCKS HERE"

Let us show you the
Most Sensational new
farm machine of the year!

New Holland's great new twine-tie baler — the compact "66".

The compact
NEW HOLLAND

New Holland's sensational "66" makes hay baling practical on almost any farm. It's self-powered . . . makes square, man-size bales sliced just right for easy feeding. Yet costs hundreds of dollars less!

The surprise of a life time! That's the New Holland "66". We'll wager you've never seen a baler so compact in design . . . so completely new — feature after feature.

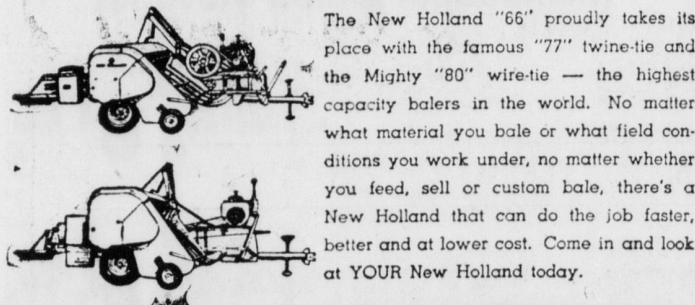

You'll be amazed the first time you see the "66". It's shorter and lower than most balers of its type on the market. It's designed to operate at full efficiency with a one or two-plow tractor. Best of all, it's priced so low that now even small-acreage farms can afford the finest in baling equipment.

Now you can enjoy the full benefits of having your own baler on the farm. You can bale your hay the moment it's ready to come in, and bale it fast for the highest quality with least spoilage by sun or rain.

In the field you'll find it hard to believe your eyes when you see how the efficient "66" gobbles up the windrow. Nothing seems to stop it. It can kick out 6 firm, square bales a minute . . . package up to 7 tons of hay in an hour! And it bales anything — clover, prairie hay, sudan grass, maize.

Come in and see us right away! We're ready and waiting to show you a "66". We'd like to go over this wonderful grassland machine with you point by point . . . give you positive proof you can't buy better at the price!

A complete line of balers for every baling requirement

see it now at your authorized
NEW HOLLAND dealer
