Shapely Eyebrows
 An eyebrow pencil, kept sharply pointed, is useful in heightening the arch and making eyebrows seem darker, longer, or thicker than usual. The color you choose should be plausible in relation to your hair. Black pencil is excellent with dark-brown or black hair; brown, with red, light-brown, blond, or white hair. Draw short, light lines in the direction in which the hairs grow naturally.

...of all things A STEAK SALE!

That's Right — A STEAK SALE! And what's more — it's our famous quality steak that's on sale at these low, low prices.
