Marietta School News Items

The Latin American Band of Marietta and East Donegal, under the direction of Mr. Morrell Shields, entertained at the Ephrata Legion Wednesday, April 8 1953. The American Legion Auxiliary at this time presented their annual Pan-American program. As each program involves some South American country, this year they asked the Latin American Band to play.

Mr. Shields has recently added dancers to the group and three couples accompanied the band to Ephrata. They were Sara Singer, Phyllis Wolgemuth, Jay Greider, and Wilbur Heisey, all from East Donegal, and two Elizabethtown College students, Edwardo Chekuin and his sister Carlotta, whose native country is Colombia, South America.

Long Distance Service Also Moves Faster When You CALL BY NUMBER

Truckers deliver the goods faster when they know the right highways to travel. And your long distance calls go through faster when you call by number. When you give the out-of-town number, operators can speed your call straight to your party. This faster service is possible because most telephone companies can now use the inter-connected coast-to-coast dialing system.

So, please, for the best possible service, always call by number. And for convenience, keep your list of frequently-called long distance numbers handy for quick reference.
