Mount Joy High School News

The McCrea Marionettes will present a puppetized version of Washington Irving's famous classic "The Legend of Sleepy Hollow" in a special assembly in Mount Joy High School for grades one thru six on Monday, April 27.

All the marionettes are one-third life size, hand carved from wood. All thirteen and their voices are manipulated by two puppeteers, two at a time. The scenic backdrops and settings were designed and painted by Gertrude Lietgenberf of the Art Institute of Chicago. The McCrea Marionettes are known for their adaptation of stories that are designed to educate as well as entertain.

Quiz Program
The Tri-Hi-Y will be in charge of the weekly assembly tomorrow at Mt. Joy High School. They will hold a quiz program for which two contestants will be selected from each class. Mrs. Jane McGary is the club's adviser.

On April 24, the home economics department will present its annual fashion show in assembly. The girls will model the clothes which they have made during this school year.

Victory Dance
The Victory Dance sponsored by the Junior Chamber of Commerce for all students of Mount Joy High School will be held this evening, April 16, in the high school gym at 7:30. The dance is held this year, as one was last year, in connection with the Youth Day in Government recently conducted in the school by the Junior Chamber of Commerce. The dance this year will be a square dance with Bert Wittenberg as caller.
