ment of the church.
The response to the letters have been most gratifying and here are some of the items the Girl Scouts have collected to date for the sale: rugs, dishes, lamps, breakfast sets, chairs, tables, lamps, tools, window frames, oil stove, toys, like new and other articles too numerous to mention.

Nearly Finished
The renovating job of the Community Youth Center in the basement of the Glossbrenner E. U. B. Church is nearly completed. The interior decorating, including the knotty pine walls, is finished and complete except for the heating system which is expected to be installed within a few weeks. People attending the sale may inspect the Center and see what a fine job this group has done with paint, knotty-pine, colors and untiring hours of labor giving freely to create a beautiful Center for their many activities.
