**Those In Service**

Tuesday, April 13  
Atlantic City, N. J.

Dear folks,  
When I received your package several weeks ago, I could not imagine what was in it. When I hastily opened it, I was amazed and pleased. It was certainly a splendid gift for a serviceman. Since I was not expecting any gifts at this time of the year, it was really a surprise. Thanks much.

Last weekend when I was home I walked up past the Bulletin office, and noticed one of the gifts in the window. Since I am still stationed close to Mt. Joy, I do get home pretty regularly. Recently one of my friends suggested that if I were stationed further away from home, I would appreciate my visits more. However, two weeks at six months wouldn't make much difference, I don't believe because every time I cross that bridge coming into Mt. Joy I get a kick. It's a good feeling to get back into little, friendly Mount Joy for a few days.

Thanks once more for all!  
Sincerely,  
Lee Ranck

Dear Rem. Committee,  
I was very glad to receive the gift you sent me. I was about to buy a dog tag here because my old one fell apart. I knew there was a gift coming but I didn't know what it would be, thanks again.

As most people know I'm going through A & E school. This is a new school, I am in the 4th class to go through. The school is 130 days and is divided into 5 phases. I am in the middle of my third phase. I expect to be home in July or August.

I have met quite a few fellows from near home. The closest ones from Manheim Township, Lititz, Lancaster, Elizabethtown, Lebanon, Reading & Harrisburg. As yet I haven't met anyone from Mt. Joy.

I must close for now, so I'll say "thanks" for the gift again. You people are doing a great job back there for us. Keep the ball rolling.  
Sincerely,  
Jay Eberly

Dear Members,  
Thanks a lot for the dog tag chain. All these unexpected gifts from the "old home town" really makes you feel like you are not so far from home after all. I've heard that the committee is coming along fine and read what it cost to send those chains to all the guys and Corrine. I want to thank everybody too who donated to the Remembrance Committee and want the committee members to know we in the service greatly appreciate what you people are doing.

I am not on my ship, the Mount Olympus, right now. She is in the yards for a 3 months period for a complete overhaul and also to have a helicopter deck erected on the fantail. She will really sparkle when she gets out. I am temporarily assigned to Admiral Rose's staff, and am at Little Creek Amphibious Base until June 1.

It seems like Spring is here today. As you know "In Spring a Young Man's Fancy" turns to other thoughts, and a lot of guys were drooling the last couple days on this base. Debra Paget, Anne Francis, Nannette Fabray and Eileen O'Dave were here from Hollywood for a Navy Relief Ball and Movie Premiere. I work in the Photo Lab, and had a chance to talk to all of them. I was surprised to find they seemed like ordinary girls.

Well I must close before the chow hall does so "Thanks Again."

Dear Remm. Comm.  
Received your very wonderful gift. Sure was a surprise to me. Want to thank each and everyone of you who had made it possible. You folks are doing a wonderful job and believe me it is well to know people in our community haven't forgotten the service men and women. Things are the same as usual up here, lots of daylight now. We can play softball at 10:30 in the nite and it will get longer yet.

Once again, thanks so very much for the gift. I don't believe you could of chosen any-
