To Graduate From Holyoke College

South Hadley, Mass., May 21—Graduating from Mount Holyoke college on June 8 will be Miss Louise Rosser, daughter of Mr. and Mrs. Robert Rosser of "Four Winds", Mount Joy.

Miss Rosser graduated from J. P. McCaskey high school. A political science major at Mount Holyoke, she was active in the political campaigns last fall, and went to Washington this spring as part of a political science seminar.

She has worked as a News Bureau correspondent and as a reporter for the Mount Holyoke News, campus weekly. Active in the International Relations Club, she also participated in the Red Cross Gray Ladies program and was a member of her hall committee.

She will be married to Lieut. Joseph P. Perlow, a 1953 West Point graduate, on June 13.

William L. Thorp, director of the Merrill School of Economics and former assistant secretary of state for economic affairs, will be the speaker at the 116th commencement exercises.

The Hi-Gems of the Methodist Church will hold a strawberry festival on the church lawn on June 6th from 4 o'clock—until.

Seniors On Trip To Washington

The senior class of Mount Joy High School left yesterday for their annual class trip -- to Washington, D. C. this year. Members of the faculty going with them are Miss Catherine Zeller, class advisor, Mrs. Sadie Brooks, school nurse, Mr. Geo. Broske, social studies instructor and Mr. H. K. Schoener, science instructor.

In Washington they plan to visit the F. B. I. Building, the Bureau of Engraving and Printing, the Capitol, Washington Monument, Mount Vernon, Arlington Cemetery, Lincoln Memorial, the Supreme Court, and the National Gallery of Art. They also plan a moonlight cruise on the Potomac.

There is no better way to boost your business than by local newspaper advertising.

MOUNT JOY TOWNSHIP SCHOOL PER CAPITA AND TRAILER TAXES

The School District of the Township of Mount Joy gives notice that its School Board intends to adopt a resolution, under the provisions of the Act of 1947, P. L. 1145, as amended, in addition to the \$5 per capita tax authorized under the Public School Code of 1949. Imposition of this additional tax (from which it is estimated that \$8,400 annual revenue will be derived) is necessitated because of increased school costs; because the per capita tax authorized under the Public School Code is limited to \$5; and because it would be inequitable to properly owners to collect the entire amount of said increased costs in the form of increased real estate taxes.
