PENNA. GOVERNMENT EMPLOYMENT PER CAPITA NEXT TO LOWEST IN NATION

Data compiled by the U. S. Bureau of the Census show that in October, 1952, there were nearly two and one-half times as many federal employees working in Pennsylvania as employees of our State government. The total number of federal civilian employees was 151,720, compared to 61,929 full-time State employees, or 65,936 full and part-time State workers. On a full-time basis the number of all employees of Pennsylvania's more than five thousand local and county government units, including school districts, was only 1,572 greater than that of the federal workers now employed in the State.

The number of full-time local government workers in the State, 14.4 per thousand inhabitants, is also well below the national average of 19.3 - in fact, in only three states in our nation is the number of local government workers per thousand lower than in Pennsylvania, the State Planning Board of the Planning Board of Pennsylvania Dept. of Commerce points out.

Further evidence that Pennsylvania government—both the State and local—is operating with a minimum of personnel is provided by the Census in its computation of the total number of both State and local full and part-time government employees per thousand people. The total for Pennsylvania, 22.5, is 47th among the 48 states. Only one state is lower. The national state and local total is 29 per thousand; the New York total, 34.1 per thousand; California, 34.7; Ohio, 28.3; Massachusetts, 34.3 and Michigan, 30.

The marriage of Miss Frances M. Keener, daughter of Mrs. John G. Keener and the late Mr. Keener, 45 Frank Street, Mount Joy, and Henry S. Weber, Jr., son of Mr. and Mrs. Henry S. Weber, Litz, took place Saturday at 6 p. m. in the Trinity Lutheran Church, Mount Joy.

The Rev. W. L. Koder officiated. Miss Keener was given in marriage by Frank Stott, Lancaster, and was attended by Mrs. Wilmer Dick, Maytown, as matron of honor.

A small reception was held in the church social rooms. After a wedding trip the couple will reside at 1604 Litz Pike.
